SENATE BILL**No. 346** Session of
2007

INTRODUCED BY BOSCOLA, STACK, C. WILLIAMS, LAVALLE, BROWNE,
KITCHEN, PIPPY AND FONTANA, MARCH 12, 2007

REFERRED TO STATE GOVERNMENT, MARCH 12, 2007

A JOINT RESOLUTION

1 Proposing an amendment to the Constitution of the Commonwealth
2 of Pennsylvania, providing for a Legislative and
3 Congressional Reapportionment Bureau for the purpose of
4 reapportioning and redistricting the Commonwealth of
5 Pennsylvania.

6 The General Assembly of the Commonwealth of Pennsylvania
7 hereby resolves as follows:

8 Section 1. The following amendment to the Constitution of
9 Pennsylvania is proposed in accordance with Article XI:

10 That section 17 of Article II be amended to read:

11 § 17. Legislative [Reapportionment Commission] and
12 Congressional Reapportionment Bureau.

13 (a) In each year following the year of the Federal decennial
14 census, a Legislative [Reapportionment Commission] and
15 Congressional Reapportionment Bureau shall be constituted for
16 the purpose of reapportioning the Commonwealth. The bureau shall
17 consist of a director and employees as are necessary to carry
18 out the responsibilities of reapportionment and redistricting.

1 [The commission shall act by a majority of its entire
2 membership.

3 (b) The commission shall consist of five members: four of
4 whom shall be the majority and minority leaders of both the
5 Senate and the House of Representatives, or deputies appointed
6 by each of them, and a chairman selected as hereinafter
7 provided. No later than 60 days following the official reporting
8 of the Federal decennial census as required by Federal law, the
9 four members shall be certified by the President pro tempore of
10 the Senate and the Speaker of the House of Representatives to
11 the elections officer of the Commonwealth who under law shall
12 have supervision over elections.

13 The four members within 45 days after their certification
14 shall select the fifth member, who shall serve as chairman of
15 the commission, and shall immediately certify his name to such
16 elections officer. The chairman shall be a citizen of the
17 Commonwealth other than a local, State or Federal official
18 holding an office to which compensation is attached.

19 If the four members fail to select the fifth member within
20 the time prescribed, a majority of the entire membership of the
21 Supreme Court within 30 days thereafter shall appoint the
22 chairman as aforesaid and certify his appointment to such
23 elections officer.

24 Any vacancy in the commission shall be filled within 15 days
25 in the same manner in which such position was originally filled.

26 (c) No later than 90 days after either the commission has
27 been duly certified or the population data for the Commonwealth
28 as determined by the Federal decennial census are available,
29 whichever is later in time, the commission shall file a
30 preliminary reapportionment plan with such elections officer.

1 The commission shall have 30 days after filing the
2 preliminary plan to make corrections in the plan.

3 Any person aggrieved by the preliminary plan shall have the
4 same 30-day period to file exceptions with the commission in
5 which case the commission shall have 30 days after the date the
6 exceptions were filed to prepare and file with such elections
7 officer a revised reapportionment plan. If no exceptions are
8 filed within 30 days, or if filed and acted upon, the
9 commissions's plan shall be final and have the force of law.

10 (d) Any aggrieved person may file an appeal from the final
11 plan directly to the Supreme Court within 30 days after the
12 filing thereof. If the appellant establishes that the final plan
13 is contrary to law, the Supreme Court shall issue an order
14 remanding the plan to the commission and directing the
15 commission to reapportion the Commonwealth in a manner not
16 inconsistent with such order.

17 (e) When the Supreme Court has finally decided an appeal or
18 when the last day for filing an appeal has passed with no appeal
19 taken, the reapportionment plan shall have the force of law and
20 the districts therein provided shall be used thereafter in
21 elections to the General Assembly until the next reapportionment
22 as required under this section 17.]

23 (b) (1) The bureau shall acquire appropriate information,
24 review and evaluate available facilities and develop programs
25 and procedures in preparation for drawing congressional and
26 legislative redistricting plans on the basis of each Federal
27 census.

28 (2) By December 31 of each year ending in zero, the bureau
29 shall obtain from the United States Bureau of the Census
30 information regarding geographic and political units in this

1 Commonwealth for which Federal census population data has been
2 gathered and will be tabulated. The bureau shall use the data
3 obtained to prepare:

4 (i) Necessary descriptions of geographic and political units
5 for which census data will be reported and which are suitable
6 for use as components of legislative districts.

7 (ii) Maps of counties, cities and other geographic units
8 within this Commonwealth, which may be used to illustrate the
9 locations of legislative district boundaries proposed in plans
10 drawn in accordance with subsection (d).

11 (3) As soon as possible after January 1 of each year ending
12 in one, the bureau shall obtain from the United States Bureau of
13 the Census the population data needed for legislative
14 districting which the Bureau of the Census is required to
15 provide this Commonwealth under 13 U.S.C. § 141 (relating to
16 population and other census information) and shall use that data
17 to assign a population figure based upon census data to each
18 geographic or political unit described pursuant to paragraph
19 (2)(i). Upon completing that task, the bureau shall begin the
20 preparation of congressional and legislative districting plans
21 as required by subsection (c).

22 (c) (1) Not later than April 1 of each year ending in one,
23 the bureau shall deliver to the Secretary of the Senate and the
24 Chief Clerk of the House of Representatives identical bills
25 embodying a plan of legislative and congressional districting
26 prepared in accordance with subsection (d). It is the intent of
27 this section that the General Assembly shall bring the bill to a
28 vote in either the Senate or the House of Representatives
29 expeditiously, but not less than seven days after the report of
30 the commission required by subsection (f) is received and made

1 available to the members of the General Assembly, under a
2 procedure or rule permitting no amendments except those of a
3 purely corrective nature. It is further the intent of this
4 section that, if the bill is approved by the first House in
5 which it is considered, it shall expeditiously be brought to a
6 vote in the second House under a similar procedure or rule.

7 (2) If the bill embodying the plan submitted by the bureau
8 under paragraph (1) fails to be approved by a constitutional
9 majority in either the Senate or the House of Representatives,
10 the Secretary of the Senate or the Chief Clerk of the House of
11 Representatives, as the case may be, shall at once transmit to
12 the bureau information which the Senate or House of
13 Representatives may direct regarding reasons why the plan was
14 not approved. The bureau shall prepare a bill embodying a second
15 plan of legislative and congressional districting prepared in
16 accordance with subsection (d) taking into account the reasons
17 cited by the Senate or House of Representatives for its failure
18 to approve the plan insofar as it is possible to do so within
19 the requirements of subsection (d). If a second plan is required
20 under this subsection, the bill embodying it shall be delivered
21 to the Secretary of the Senate and the Chief Clerk of the House
22 of Representatives not later than May 1 of the year ending in
23 one or 14 days after the date of the vote by which the Senate or
24 the House of Representatives fails to approve the bill submitted
25 under paragraph (1), whichever date is later. It is the intent
26 of this section that, if it is necessary to submit a bill under
27 this subsection, the bill be brought to a vote not less than
28 seven days after the bill is printed and made available to the
29 members of the General Assembly, in the same manner as
30 prescribed for the bill required under paragraph (1).

1 (3) If the bill embodying the plan submitted by the bureau
2 under paragraph (2) fails to be approved by a constitutional
3 majority in either the Senate or the House of Representatives,
4 the same procedure as prescribed by paragraph (2) shall be
5 followed. If a third plan is required under this subsection, the
6 bill embodying it shall be delivered to the Secretary of the
7 Senate and the Chief Clerk of the House of Representatives not
8 later than June 1 of the year ending in one or 14 days after the
9 date of the vote by which the Senate or the House of
10 Representatives fails to approve the bill submitted under
11 paragraph (2), whichever date is later. It is the intent of this
12 section that if it is necessary to submit a bill under this
13 subsection, the bill be brought to a vote within the same time
14 period after its delivery to the Secretary of the Senate and the
15 Chief Clerk of the House of Representatives as is prescribed for
16 the bill submitted under paragraph (2), but shall be subject to
17 amendment in the same manner as other bills.

18 (4) Notwithstanding paragraphs (1), (2) and (3):

19 (i) If population data from the Federal census which is
20 sufficient to permit preparation of a congressional districting
21 plan becomes available at an earlier time than the population
22 data needed to permit preparation of a legislative districting
23 plan in accordance with subsection (d), the bureau shall so
24 inform the presiding officers of the Senate and House of
25 Representatives. If the presiding officers so direct, the bureau
26 shall prepare a separate bill establishing congressional
27 districts and submit it separately from the bill establishing
28 legislative districts. It is the intent of this section that the
29 General Assembly shall proceed to consider the congressional
30 districting bill in substantially the manner prescribed by

1 paragraphs (1), (2) and (3).

2 (ii) If the population data for legislative districting
3 which the United States Bureau of the Census is required to
4 provide this Commonwealth under 13 U.S.C. § 141 is not available
5 to the Legislative and Congressional Reapportionment Bureau on
6 or before February 1 of the year ending in one, the dates set
7 forth in this section shall be extended by a number of days
8 equal to the number of days after February 1 of the year ending
9 in one that the Federal census population data for legislative
10 districting becomes available.

11 (d) (1) Legislative and congressional districts shall be
12 established on the basis of population.

13 (i) Senatorial and representative districts, respectively,
14 shall each have a population as nearly equal as practicable to
15 the ideal population for such districts, determined by dividing
16 the number of districts to be established into the population of
17 this Commonwealth reported in the Federal decennial census.
18 Senatorial districts and representative districts shall not vary
19 in population from the respective ideal district populations
20 except as necessary to comply with one of the other standards
21 enumerated in this section. In no case shall the quotient,
22 obtained by dividing the total of the absolute values of the
23 deviations of all district populations from the applicable ideal
24 district population by the number of districts established,
25 exceed 2.5% of the applicable ideal district population. No
26 senatorial district shall have a population which exceeds that
27 of any other senatorial district by more than 5%, and no
28 representative district shall have a population which exceeds
29 that of any other representative district by more than 5%.

30 (ii) Congressional districts shall each have a population as

1 nearly equal as practicable to the ideal district population,
2 derived as prescribed in subparagraph (i). No congressional
3 district shall have a population which varies by more than 2.5%
4 from the applicable ideal district population.

5 (iii) If a challenge is filed with the Supreme Court
6 alleging excessive population variance among districts
7 established in a plan adopted by the General Assembly, the
8 General Assembly has the burden of justifying any variance in
9 excess of 2.5% between the population of a district and the
10 applicable ideal district population.

11 (2) To the extent consistent with paragraph (1), district
12 boundaries shall coincide with the boundaries of political
13 subdivisions of this Commonwealth. The number of counties and
14 cities divided among more than one district shall be as small as
15 possible. When there is a choice between dividing local
16 political subdivisions, the more populous subdivisions shall be
17 divided before the less populous, but this statement does not
18 apply to a legislative district boundary drawn along a county
19 line which passes through a city that lies in more than one
20 county.

21 (3) Districts shall be composed of convenient contiguous
22 territory. Areas which meet only at the points of adjoining
23 corners are not contiguous.

24 (4) It is preferable that districts be compact in form, but
25 the standards established by paragraphs (1), (2) and (3) take
26 precedence over compactness where a conflict arises between
27 compactness and these standards. In general, compact districts
28 are those which are square, rectangular or hexagonal in shape to
29 the extent permitted by natural or political boundaries.

30 (5) Districts should represent communities of interest as

1 reflected by common economic patterns of production and
2 consumption, school district boundaries, cultural activities,
3 self-identification, media coverage, and other relevant
4 demographic information.

5 (6) However, no district shall be drawn for the purpose of
6 favoring a political party, incumbent legislator or member of
7 Congress or other person or group. In establishing districts, no
8 use shall be made of any of the following data:

9 (i) Addresses of incumbent legislators or members of
10 Congress.

11 (ii) Political affiliations of registered voters.

12 (iii) Previous election results.

13 (7) Each bill embodying a plan drawn under this section
14 shall provide that any vacancy in the General Assembly which
15 takes office in the year ending in one, occurring at a time
16 which makes it necessary to fill the vacancy at a special
17 election held pursuant to section 629 of the act of June 3, 1937
18 (P.L.1333, No.320), known as the Pennsylvania Election Code,
19 shall be filled from the same district which elected the senator
20 or representative whose seat is vacant.

21 (8) Each bill embodying a plan drawn under this section
22 shall include provisions for election of senators to the General
23 Assemblies which take office in the years ending in three and
24 five, which shall be in conformity with section 16 of this
25 article.

26 (e) (1) Not later than February 15 of each year ending in
27 one, a five-member temporary redistricting advisory commission
28 shall be established as provided by this section. The
29 commission's only functions shall be those prescribed by
30 subsection (f).

1 (i) Each of the four selecting authorities shall certify to
2 the chief election officer his appointment of a person to serve
3 on the commission. The certifications may be made at any time
4 after the four selecting authorities have been selected for the
5 General Assembly to take office in the year ending in one, even
6 though the terms of office of the selecting authorities have not
7 actually begun.

8 (ii) Within 30 days after the four selecting authorities
9 have certified their respective appointments to the commission,
10 but in no event later than February 15 of the year ending in
11 one, the four commission members so appointed shall select, by a
12 vote of at least three members, and certify to the chief
13 election officer the fifth commission member who shall serve as
14 chairperson.

15 (iii) A vacancy on the commission shall be filled by the
16 initial selecting authority within 15 days after the vacancy
17 occurs.

18 (iv) Members of the commission shall receive per diem travel
19 expenses and reimbursement for other necessary expenses incurred
20 in performing their duties under this section.

21 (2) No person shall be appointed to the commission who:

22 (i) Is not an eligible elector of this Commonwealth at the
23 time of selection.

24 (ii) Holds partisan public office or political party office.

25 (iii) Is a relative of or is employed by a member of the
26 General Assembly or of Congress or is employed directly by the
27 General Assembly or by Congress.

28 (f) The functions of the commission shall be as follows:

29 (1) If, in preparation of plans as required by this section,
30 the bureau is confronted with the necessity to make any decision

1 for which no clearly applicable guideline is provided by
2 subsection (d), the bureau may submit a written request for
3 direction to the commission.

4 (2) Prior to delivering any plan and the bill embodying that
5 plan to the Secretary of the Senate and the Chief Clerk of the
6 House of Representatives in accordance with subsection (c), the
7 bureau shall provide to persons outside the bureau staff only
8 such information regarding the plan as may be required by
9 policies agreed upon by the commission. This paragraph does not
10 apply to population data furnished to the bureau by the United
11 States Bureau of the Census.

12 (3) Upon each delivery by the bureau to the General Assembly
13 of a bill embodying a plan, pursuant to subsection (c), the
14 commission shall at the earliest feasible time make available to
15 the public the following information:

16 (i) Copies of the bill delivered by the bureau to the
17 General Assembly.

18 (ii) Maps illustrating the plan.

19 (iii) A summary of the standards prescribed by subsection
20 (d) for development of the plan.

21 (iv) A statement of the population of each district included
22 in the plan and the relative deviation of each district
23 population from the ideal district population.

24 (4) Upon the delivery by the bureau to the General Assembly
25 of a bill embodying an initial plan, as required by subsection
26 (c)(1), the commission shall:

27 (i) As expeditiously as reasonably possible, schedule and
28 conduct at least three public hearings, in different geographic
29 regions of this Commonwealth, on the plan embodied in the bill
30 delivered by the bureau to the General Assembly.

1 (ii) Following the hearings, promptly prepare and submit to
2 the Secretary of the Senate and the Chief Clerk of the House of
3 Representatives a report summarizing information and testimony
4 received by the commission in the course of the hearings. The
5 commission's report shall include any comments and conclusions
6 which its members deem appropriate on the information and
7 testimony received at the hearings or otherwise presented to the
8 commission.

9 [(f)] (g) Any district which does not include the residence
10 from which a member of the Senate was elected whether or not
11 scheduled for election at the next general election shall elect
12 a Senator at such election.

13 [(g) The General Assembly shall appropriate sufficient funds
14 for the compensation and expenses of members and staff appointed
15 by the commission, and other necessary expenses. The members of
16 the commission shall be entitled to such compensation for their
17 services as the General Assembly from time to time shall
18 determine, but no part thereof shall be paid until a preliminary
19 plan is filed. If a preliminary plan is filed but the commission
20 fails to file a revised or final plan within the time
21 prescribed, the commission members shall forfeit all right to
22 compensation not paid.

23 (h) If a preliminary, revised or final reapportionment plan
24 is not filed by the commission within the time prescribed by
25 this section, unless the time be extended by the Supreme Court
26 for cause shown, the Supreme Court shall immediately proceed on
27 its own motion to reapportion the Commonwealth.

28 (i) Any reapportionment plan filed by the commission, or
29 ordered or prepared by the Supreme Court upon the failure of the
30 commission to act, shall be published by the elections officer

1 once in at least one newspaper of general circulation in each
2 senatorial and representative district. The publication shall
3 contain a map of the Commonwealth showing the complete
4 reapportionment of the General Assembly by districts, and a map
5 showing the reapportionment districts in the area normally
6 served by the newspaper in which the publication is made. The
7 publication shall also state the population of the senatorial
8 and representative districts having the smallest and largest
9 population and the percentage variation of such districts from
10 the average population for senatorial and representative
11 districts.]

12 (h) All positions in the bureau shall be deemed to be
13 included in the list of positions set forth in section 3(d) of
14 the act of August 5, 1941 (P.L.752, No.286), known as the Civil
15 Service Act, and the provisions and benefits of the act shall be
16 applicable to the employees of and positions in the bureau.

17 (i) The bureau shall expire and its responsibilities shall
18 terminate not later than November 1 of each year ending in one
19 and shall be reconstituted on November 1 in the year of the next
20 Federal decennial census.
