15 by ordinance require adjoining and adjacent property owners to  
16 connect with and use the sanitary sewer system, whether  
17 constructed by the township or a municipality authority or a  
18 joint sanitary sewer board. In the case of a sanitary sewer  
19 system constructed by the township pursuant to either section

1 2501 or 2516, the board of supervisors may impose and charge to  
2 property owners who desire to or are required to connect to the

18 construction to the owner of the property to which connection  
19 has been made, which bill is payable immediately. If the owner
