1 Amending the act of March 10, 1949 (P.L.30, No.14), entitled "An
2 act relating to the public school system, including certain
3 provisions applicable as well to private and parochial
4 schools; amending, revising, consolidating and changing the
5 laws relating thereto," in pupils and attendance, further
6 providing for liability for tuition and enforcement of
7 payment and for cost of tuition.

8 The General Assembly of the Commonwealth of Pennsylvania
9 hereby enacts as follows:

10 Section 1. Section 1308 of the act of March 10, 1949
11 (P.L.30, No.14), known as the Public School Code of 1949,
12 amended June 7, 1993 (P.L.49, No.16), is amended to read:

13 Section 1308. Liability for Tuition and Enforcement of
14 Payment.--(a) In all cases not covered by the preceding section
15 if a charge is made by any school district for tuition for the
16 inmates of any such institution, the officers of the institution
17 shall submit to the board of school directors a sworn statement,
18 setting forth the names, ages, and school districts liable for
19 tuition of all children who are inmates thereof, and desire to

1 attend public school in the district. The district in which the
2 institution is located shall obtain a blank acknowledging or
3 disclaiming residence, signed by the secretary of the school
4 district in which the institution declares the legal residence
5 of the child to be. If said district shall fail to file said
6 blank within fifteen (15) days from the date it is sent to the
7 district by registered mail, the district in which the
8 institution is located shall again notify the district [of its]
9 and shall notify the secretary of the district's failure to
10 comply with the provisions of this act. If the district shall
11 fail to comply within fifteen (15) days following the second
12 notice, said failures to return the blank shall be construed as
13 an acknowledgement of said child's residence[.] and shall
14 authorize the secretary to make payments for tuition charges on
15 behalf of the district of residence. The district of residence
16 shall not disclaim an inmate solely for convenience or to avoid
17 adhering to the timeline set forth in this section for
18 acknowledging or disclaiming residence of any inmate or for
19 paying tuition. The tuition of such inmates [as are] included in
20 the sworn statement to the board of school directors or, in the
21 case of a school district of the first class, the board of
22 public education shall be paid by the district of residence of
23 the inmates upon receipt of a bill from the district in which
24 the institution is located setting forth the names, ages and
25 tuition charges of the inmates. The district so charged with
26 tuition may file an appeal with the Secretary of Education, in
27 which it shall be the complainant and the district in which the
28 institution is located the respondent. The decision of the
29 Secretary of Education, as to which of said parties is
30 responsible for tuition, shall be final.

1 (b) Where a bill from the district in which the institution
2 is located remains unpaid by the district of residence seventy-
3 five (75) days following its receipt by the district of
4 residence, such bill having been sent following the second
5 notice to the district of residence, the secretary shall be
6 required to make payments for tuition charges on behalf of the
7 district of residence. The district in which the institution is
8 located shall provide the secretary with copies of all bills and
9 notices previously provided to the district of residence from
10 which a bill remains unpaid. The secretary shall pay the
11 district in which the institution is located the amount of the
12 unpaid bill within thirty (30) days of the receipt of such bills
13 and notices. Subsequent bills from the district in which the
14 institution is located for tuition charges incurred for the same
15 inmates shall be submitted to the secretary, who shall pay such
16 bills within thirty (30) days of receipt. Where the secretary
17 makes payments for tuition charges on behalf of a district of
18 residence, the secretary shall withhold from any payments due to
19 the district of residence an amount equal to the tuition charges
20 paid. The district of residence may file an appeal with the
21 secretary. An appeal by the district of residence shall not
22 cause delay in payment to the district in which the institution
23 is located.

24 (c) If any inmates have been received from outside of
25 Pennsylvania, or if the institution cannot certify as to their
26 residence, their tuition shall be paid by the institution having
27 the care or custody of said children, except in the case of
28 medically indigent children hospitalized in exclusively
29 charitable children's hospitals exempt under section 501(c)(3)
30 of the Internal Revenue Code which make no charges to any of its

1 patients nor accepts any third-party payments for services
2 provided to any of its patients. In such cases their tuition
3 shall be paid by the Commonwealth out of moneys appropriated by
4 the General Assembly for the purposes of this act. Enrollment of
5 any out-of-state student in a school district or intermediate
6 unit program shall be conditioned upon a guarantee, or actual
7 advance receipt, of tuition and transportation payment from the
8 institution, from the student's home state or out-of-state
9 school district, or from the out-of-state party or agency which
10 placed the student in the institution, except in the case of
11 medically indigent children hospitalized in exclusively
12 charitable children's hospitals exempt under section 501(c)(3)
13 of the Internal Revenue Code which make no charges to any of its
14 patients nor accepts any third-party payments for services
15 provided to any of its patients where the Commonwealth is paying
16 the tuition as otherwise provided for in this paragraph. If the
17 Secretary of Education decides that the legal residence of any
18 of said inmates is in Pennsylvania, but cannot be fixed in a
19 particular district, the Commonwealth shall pay the tuition of
20 such inmate out of moneys appropriated to the Department of
21 Education by the General Assembly for the maintenance and
22 support of the public schools of the Commonwealth.

23 Section 2. Section 1309(a) of the act is amended by adding a
24 paragraph to read:

25 Section 1309. Cost of Tuition; How Fixed.--(a) The cost of
26 tuition in such cases shall be fixed as is now provided by law
27 for tuition costs in other cases, except in the following
