14 bridge rehabilitation, replacement or removal shall be  
15 financed from current revenue.

22 The Governor, Auditor General and State Treasurer are hereby  
23 authorized and directed to borrow from time to time, in addition  
24 to any authorization heretofore or hereafter enacted, on the  
25 credit of the Commonwealth, subject to the limitations provided  
26 in the current capital budget, money not exceeding in the

27 aggregate the sum of ~~\$1,150,048,000~~ ~~\$1,523,916,000~~ <—

28 \$1,538,916,000 as may be found necessary to carry out the <—

29 acquisition and construction of the State projects specifically  
30 itemized in this act.

1 Section 75. Issue of bonds.

2 The indebtedness authorized in this act shall be incurred  
3 from time to time and shall be evidenced by one or more series  
4 of general obligation bonds of the Commonwealth in such  
5 aggregate principal amount for each series as the Governor,  
6 Auditor General and State Treasurer shall determine, but the  
7 latest stated maturity date shall not exceed 30 years from the

20 shall pay out to the department the moneys as required and  
21 certified by it to be legally due and payable.

30 estimated financial costs of the projects itemized in this act

1 are not necessary for the proper design, acquisition or  
2 construction of such projects, the excess funds no longer  
3 required may be allocated by the department or the Department of  
4 Conservation and Natural Resources to increase the estimated  
5 costs of any one or more of the projects specifically itemized  
6 in a capital budget.

7 (b) Reimbursement of municipal expenditures.--Moneys raised  
8 or expended by municipalities after the effective date of this

11 municipalities.

12 Section 80. Policy on jobs and materials.

13 (a) Jobs.--It is the declared policy of the Commonwealth  
14 that the construction projects authorized in this act be used,  
15 to the greatest extent possible, to provide for the creation of  
16 jobs and the rehiring of the unemployed in this Commonwealth. In  
17 order to reach this goal, firms with Commonwealth-based  
18 facilities shall be actively solicited to make bids on contracts  
19 to furnish products and materials, including, but not limited  
20 to, steel and steel products, to be used in these projects.

22 undertake a project contained in this act shall provide that any  
23 steel or other products to be used or supplied in the  
24 performance of this contract shall be required to be  
25 manufactured by plants in the United States unless the secretary  
26 determines, on a contract by contract basis, that certain  
27 required products are not produced in the United States in  
28 sufficient quantities to meet the requirements of the contract.  
29 Such a determination and the reasons therefor shall be published  
30 in the Pennsylvania Bulletin. Decisions made under this

1 subsection shall not be inconsistent with the general provisions  
2 of the act of March 3, 1978 (P.L.6, No.3), known as the Steel  
3 Products Procurement Act.

4 (c) Minorities and women.--It is also the declared policy of  
5 the Commonwealth to require and encourage substantial  
6 participation by minorities and women in the construction  
7 projects authorized by this act.

8 Section 81. Payment of capital debt service.

9 The repayment of any debt incurred pursuant to this act shall

20 final enactment, the Legislative Reference Bureau shall insert  
21 or revise letters or numbers for projects where the letters or  
22 numbers are missing or require revision. The bureau shall also  
23 revise the total monetary amounts for the total authorization,  
24 debt authorization, appropriations and departmental totals as  
25 necessary to agree with the total monetary amounts of the  
26 projects.

27 Section 84. Effective date.

28 This act shall take effect immediately.
