AN ACT

1 Amending the act of June 22, 2000 (P.L.318, No.32), entitled "An  
2 act encouraging State agencies to locate facilities in a  
3 downtown area; and providing for report to General Assembly,"  
4 further providing for powers and duties of the Department of  
5 General Services.

6 The General Assembly of the Commonwealth of Pennsylvania  
7 hereby enacts as follows:

8 Section 1. Section 4(a) of the act of June 22, 2000  
9 (P.L.318, No.32), known as the Downtown Location Law, is amended  
10 and the section is amended by adding subsections to read:

11 Section 4. Powers and duties.

12 (a) Guidelines.--The department shall establish guidelines  
13 to encourage State agencies to locate all new office facilities  
14 in downtown areas. The guidelines shall include consideration of  
15 the following factors:

16 (1) The requirements of the agency.

17 (2) Servicing clientele needs.

18 (3) Local economic considerations.

1 (4) The availability of suitable space in a downtown  
2 area.

3 (5) Competitiveness in the marketplace.

4 (6) Cost to the Commonwealth.

5 (7) Safety to persons using the office facility.

6 (8) The availability of public transportation.

7 (9) Compatibility with the economic revitalization plan  
8 for the downtown area.

9 (10) Local zoning ordinances.

10 (a.1) Denial of requests.--The department shall deny a  
11 request by a State agency to locate outside a downtown area  
12 unless a majority of the factors specified in subsection (a) are  
13 found to be unsatisfactory to the agencies' needs or facility  
14 requirements cannot be met by locating in a downtown area.

15 (a.2) Coordination.--The department shall also coordinate  
16 projects with existing public and private sector organizations  
17 committed to community, downtown revitalization and historic  
18 preservation. The coordination shall include seeking a  
19 recommendation from the identified downtown revitalization or  
20 historic preservation organization as to whether, in its  
21 opinion, the needs of the agency could be met based on the  
22 factors specified in subsection (a).
