8 formula shall be deemed to be a change in terms. No change may
9 be made in a fixed rate of interest or other charges payable
10 with respect to the outstanding balance of indebtedness or in
11 the amount or due dates of required installment payments on
12 closed-end credit unless there is written consent of the
13 customer at the time of the change except for an extension of
14 any due date or an option granted by the institution to the
15 customer to omit payments and except as may be otherwise
16 provided in an agreement for an extension of credit which is not
17 for personal, family or household purposes.

18 (g) Prepayment--

19 (i) A borrower or buyer may prepay an extension of
20 credit in full at any time.

21 (ii) If interest has been precomputed, then, in the
22 event of prepayment of an extension of credit, the
23 institution shall refund to the customer the unearned portion
24 of the precomputed interest. The refund shall be in an amount
25 not less than the amount of the unearned precomputed interest
26 calculated in accordance with a generally accepted actuarial
27 method, including a method permitted for determination of an
28 annual percentage rate under Truth in Lending, except that
29 the amount of the unearned interest on an extension of credit
30 with an initial maturity of not more than sixty months which

1 is made within two years after the effective date of this
2 section for which interest is computed on an add-on or
3 discount basis as permitted by subsection (e) may be
4 calculated in accordance with the "sum of the balances"
5 method and except that the customer shall not be entitled to
6 a refund which results in a net minimum charge of less than
7 an amount equal to the interest that would accrue in the
8 first month the extension of credit was scheduled to be
9 outstanding. The institution shall not be required to refund
10 the unearned portion of the interest if such amount is less
11 than one dollar (\$1).

12 (iii) The amount of a refund under the "sum of the
13 balances" method is determined by multiplying the precomputed
14 interest by a fraction, the numerator of which is the sum of
15 the balances, including interest, of the extension of credit
16 scheduled to be outstanding after deducting the first of the
17 payments scheduled to be made on or after the date of
18 prepayment and the denominator of which is the sum of all the
19 unpaid balances, including interest, of the extension of
20 credit scheduled to be outstanding from its inception to and
21 including the maturity of the final installment. Intervals
22 between scheduled payments must be regular periods of one
23 month or less except that the interval between the inception
24 of an extension of credit and the due date of the first
25 scheduled payment may be:

26 (A) one month and fifteen days when the regular
27 payment interval is a month,

28 (B) one month when the regular payment interval is
29 less than a month but more than a week, or

30 (C) eleven days when the regular payment interval is

1 a week or less.

2 (h) Insurance--The agreement may provide for life, health,
3 accident, loss-of-income or other permissible insurance related
4 to an extension of credit under a group or individual policy
5 subject to the option of the customer to furnish required
6 insurance through an authorized insurer of the customer's choice
7 as provided in section 11 of the act of September 2, 1961
8 (P.L.1232, No.540), known as the "Model Act for the Regulation
9 of Credit Life Insurance and Credit Accident and Health
10 Insurance," and, if premiums for the insurance are paid to the
11 institution, provisions shall be made for rebates of unearned
12 premiums, if any, upon prepayment. An institution may require
13 that insurance be maintained, from an insurer acceptable to the
14 institution, against loss or damage to property which is
15 collateral security for the extension of credit and against
16 liability arising out of the ownership or use of such property.
17 An institution may grant an extension of credit to finance the
18 premiums for the insurance.

19 (i) Extensions of credit through intermediaries--An
20 extension of credit to finance a sale of a motor vehicle, other
21 than through an open-end credit plan, may be made by an
22 institution through a seller licensed as an installment seller
23 under the act of June 28, 1947 (P.L.1110, No.476), known as the
24 "Motor Vehicle Sales Finance Act," as an intermediary if:

25 (i) the agreement governing the extension of credit
26 conspicuously provides that the extension of credit is made
27 by the institution to the buyer and is subject to the
28 provisions of this section, and

29 (ii) either the institution has made a commitment to
30 make the extension of credit or the agreement is subject to

1 acceptance by the institution within two business days after
2 the date of the agreement and the institution upon such
3 acceptance sends written notice to the buyer. The terms and
4 conditions under which the seller acts as an intermediary
5 between the institution and the buyer shall be determined by
6 written agreement between the institution and the seller.

7 An extension of credit made through an intermediary pursuant to
8 this section shall be subject to this act and other acts
9 governing transactions between banks and their customers and
10 shall not be subject to the provisions or requirements of any
11 other regulatory statute, rule or regulation. Neither a seller
12 who acts as an intermediary for an institution with respect to
13 an extension of credit nor an institution that makes an
14 extension of credit through a seller as an intermediary shall be
15 deemed to be in violation of licensing or other requirements of
16 any other regulatory statute, rule or regulation that would be
17 applicable to extensions of credits by such a seller or
18 contractor to its customers.

19 (j) Right of rescission--A person whose ownership interest
20 in that person's principal dwelling is subject to a lien or
21 security interest as collateral security for an extension of
22 credit subject to this section shall have a right of rescission
23 for the same types of transactions on the same terms and
24 conditions and for the same time periods as those provided for
25 the right of rescission under Truth in Lending.

26 (k) Statement of account--Upon the written request of the
27 customer, an institution shall provide, within ninety days after
28 the end of each calendar year, a statement of the customer's
29 account showing payments made during that year, the amount
30 applied to interest and the balance of the account at the end of

1 that year.

2 (l) Waiver of provisions--No provision of this section which
3 confers rights on the customer or any other person may be waived
4 or modified except to the extent and in the circumstances in
5 which Truth in Lending permits a consumer to waive or modify the
6 right of rescission.

7 (m) Balloon payments--No agreement for a loan or extension
8 of credit under this section containing terms of which principal
9 is repayable in installments may provide for a final payment
10 which is more than double the regularly scheduled payment
11 exclusive of overdue or extended payments, except in the case of
12 automobile financing transactions and real estate loans.

13 (n) Real estate loans--

14 (i) An institution may, subject to the requirements of
15 this section, make or acquire a loan secured by a lien on
16 real estate, including a lease-hold, located in any state or
17 the District of Columbia, in a dependency or insular
18 possession of the United States or in the Commonwealth of
19 Puerto Rico for a term not to exceed forty years and in an
20 amount not to exceed ninety percent of the value of the loan
21 except that if the amount of the loan does not exceed one
22 hundred thousand dollars (\$100,000) or is made in reliance
23 upon a private mortgage insurance or guarantee acceptable to
24 the department regardless of the amount of the loan, then one
25 hundred percent of the value of the loan, unless otherwise
26 subject to the supervisory loan-to-value limits established

3 other obligation, and the lien securing the loan shall be
4 obtained by a mortgage, deed of trust or judgment,

5 (B) the value of the real estate shall be determined
6 by a real estate appraiser qualified in the state where

9 judgment in a written report signed by the appraiser that
10 must be preserved in the records of the institution,

11 (C) insurance, as evidenced by a policy or binder or
12 a copy of either, against loss from fire on all buildings
13 on the real estate which are included in the appraised
14 value, issued by insurers acceptable to the institution
15 and authorized to do business where the real estate is
16 located and in form and amount satisfactory to the
17 institution, shall be maintained during the term of the
18 loan by or at the expense of the borrower, except that
19 the institution may at its own expense maintain such
20 insurance covering only its interest as lender,

21 (D) the borrower shall pay all expenses in
22 connection with the loan for title insurance, searches
23 and certificates, appraisal fees and fees for preparation
24 and recording of documents, and

25 (E) an institution may make a single delinquency
26 charge for each payment in arrears for a period of more
27 than fifteen days other than by reason of acceleration or
28 by reason of a delinquency on a prior payment.

29 (iii) The restrictions and requirements of this
30 subsection shall not apply to:

1 (A) a loan guaranteed at least to the extent of
2 twenty percent of the loan, or for which a written
3 commitment for the guarantee has been issued, by the

5 to veterans' benefits),

6 (B) a loan insured, or for which a written
7 commitment to insure has been issued, pursuant to
8 national housing legislation,

20 repayment on:

21 (1) the general credit of the obligor or of an
22 installment buyer or of a lessee of the real estate,

23 (2) collateral other than the real estate lien,

24 (3) a guaranty, or an agreement to take over or
25 purchase the loan in the event of default, by a
26 financially responsible person other than a person
27 engaged in the business of guaranteeing real estate
28 loans, or

29 (4) an agreement by a financially responsible
30 person to take over or purchase the loan, or to

1 provide funds for payment of the loan, within a

3 and there is a certificate of reliance setting forth the
4 applicable facts, or

5 (G) a residential mortgage loan secured by real
6 estate located in a low-income to moderate-income area.

11 capital under section 311(d)(ii)(C), if such loan:

12 (A) is secured by a first lien on improved real
13 estate, including farm land,

14 (B) satisfies all requirements of this section other
15 than the restriction on location of real estate, and

16 (C) is serviced by the corporation or association
17 from which it is acquired.

18 Section 304. Direct Leasing of Personal Property

19 An institution may[, subject to regulation by the
20 department,] acquire and lease personal property pursuant to a
21 binding arrangement for the leasing of such property to a

29 referred to as the Loan Interest and Protection Law.

30 (f.2) Alternative payment terms--An institution may permit

1 exceptions to the requirements as to time and amount of payments
2 applicable under subsection (a)(i) as to:

3 (i) one payment in a calendar year and an aggregate of
4 five payments during the term of the loan, the aggregate
5 amount of which shall be added either to other regular
6 payments or to the final payment of the loan; or

7 (ii) a difference in the amount of substantially equal
8 payments at the intervals occurring during the first one-
9 quarter of the total term of the loan from the amount of
10 substantially equal payments at the intervals occurring
11 during the remainder of the term; or

12 (iii) in a case in which the principal amount of the
13 loan is distributed periodically to the borrower, a
14 requirement of payment of interest only from the dates of
15 such distributions of the principal amount and a requirement
16 for the payment of principal and interest, commencing not
17 more than three months after the last distribution, in
18 substantially equal payments at successive intervals of not
19 more than one year each and sufficient to pay all principal
20 of and interest on the loan within ten years after the date
21 of commencement of such payments.]

22 Section 14. Section 316 of the act, amended or added
23 November 27, 1968 (P.L.1104, No.345) and September 27, 1973

8 (b) Eligible borrowers--An installment loan for which the

5 arrears for a period of more than fifteen days other than by
6 reason of acceleration or by reason of a delinquency on a
7 prior installment, in an amount not to exceed the lesser of
8 fifteen dollars (\$15) or five percent of the amount of the
9 installment,

12 month of such extension or portion thereof in excess of
13 fifteen days,

14 (iv) fees paid for filing documents in public offices in
15 connection with the loan, and

16 (v) actual expenditures, including reasonable attorneys'
17 fees, for proceedings to collect the loan.

19 refinancing of the balance of a loan prior to maturity, the
20 institution shall pay or credit a refund of the unearned portion
21 of the charge made pursuant to subsection (a) of this section in
22 an amount which shall be at least the amount computed, for the
23 unexpired period to the date of scheduled maturity, by the
24 accounting method known as the "Sum of the Digits" or "The Rule
25 of 78," except that no such refund shall be required in an
26 amount less than one dollar (\$1) or in any amount until the
27 institution has received a minimum charge of ten dollars (\$10)
28 for the loan.]

29 Section 15. Section 317 of the act, added June 25, 1977
30 (P.L.101, No.37), is repealed:

3 Entities

4 (a) Maximum rate--An institution may make a charge for a
5 loan which complies with the requirements of this section at a
6 rate not in excess of one percent per month on the actual
7 outstanding principal balance of the loan. This provision shall
8 be in addition to and shall not be limited by other statutes
9 authorizing rates of interest on charges for credit except it
10 shall not be applicable to a residential mortgage loan for which
11 a maximum rate of interest is provided under the act of January
12 30, 1974 (P.L.13, No.6), referred to as the Loan Interest and

14 this section may not also make a charge for the same transaction
15 under any other statutory provision.

16 (b) Eligible borrowers--A loan for which the charge
17 authorized by this section may be made may be granted only to an
18 individual, partnership or other unincorporated entity.

27 charge permitted under subsection (a) and, in addition, may make
28 the following charges:

29 (i) fees paid for filing documents in public offices in
30 connection with the loan, and

1 (ii) actual expenditures, including reasonable
2 attorney's fees, for proceedings to collect the loan.]

3 Section 16. Section 318 of the act, added May 21, 1980
4 (P.L.173, No.51), is repealed:

5 [Section 318. Alternate Basis for Interest Charges by

8 the term of the loan, not in excess of the discount rate in
9 effect, at the time the loan is made, at the Federal Reserve
10 Bank of the Federal Reserve District in which the institution is
11 located plus five percent. The basis for charging interest under
12 this section is an optional alternative to other provisions of
13 this act and other statutes authorizing rates of interest or
14 charges for credit and is not limited by any of such other
15 provisions.]

16 Section 17. Sections 319 and 320 of the act, added April 8,
17 1982 (P.L.262, No.79), are repealed:

18 [Section 319. Charging Interest at Rates Permitted Competing

24 Pennsylvania law for any other financial institution or any
25 other lender regulated by any State or Federal supervisory
26 authority on the specified class of loan.

27 Section 320. Notice of Annual Fees and Refunds on Credit Cards
28 of Affiliate Banks

29 (a) Notice of annual fees--A bank which is an affiliate of
30 an institution, which is domiciled in a state whose law permits

1 an annual fee to be charged on a credit card issued by such
2 affiliate to Pennsylvania residents and which gives notice after
3 the effective date of this section that such an annual fee will
4 be charged shall, at least once in each subsequent year, give
5 written notice to each card holder in this State of the
6 procedure to follow if such card holder desires to terminate his
7 account in order not to incur such fee. Such notice shall be
8 given not less than sixty days prior to the beginning of the
9 annual period for which such fee is computed.

10 (b) Refunds--An affiliate of an institution shall in the
11 event of a credit balance in the account of a holder of a credit
12 card make a cash refund of such over-payment within thirty days
13 after demand by the card holder and in the event of failure to
14 make a refund within such thirty days shall pay interest at the
15 rate of five and one quarter percent on the amount of such
16 credit balance until the refund is made.

17 (c) Definition--The term "affiliate" shall have the meaning
18 given to it in section 102(a).]

19 Section 18. Section 321 of the act, added December 17, 1982
20 (P.L.1367, No.313), is repealed:

21 [Section 321. Authorization of Fees for Revolving Credit Plans

22 Pursuant to an agreement with a customer, an institution may
23 charge on an annual or other periodic basis, fees for privileges
24 made available under a credit card or other revolving credit
25 plan which permits purchases or loans or both from time to time.
26 Such fees may not be in excess of fifteen dollars (\$15) in any
27 twelve-month period for each credit card account or other
28 revolving credit plan and may be collected in addition to
29 interest, finance charges, service charges and other charges
30 permitted by law. At least fifteen days prior to the effective

1 date of any such fee or an increase in the amount thereof, an
2 institution shall mail or deliver to a customer a written notice
3 that the fee or increase will be incurred only if the customer
4 expressly agrees or if the customer or an authorized person uses
5 the plan by making a purchase or obtaining a loan after the
6 effective date stated in the notice. Such notice shall be given
7 in compliance with the disclosure requirements of the Federal
8 Truth in Lending Act and regulations thereunder.]

9 Section 19. Section 322 of the act, added December 28, 1994
10 (P.L.1424, No.167), is repealed:

11 [Section 322. Extensions of Credit to Individuals, Partnerships
12 and Unincorporated Associations

13 (a) Definitions--As used in this section, the following
14 words and phrases shall have the meanings given to them in this
15 subsection:

16 "Credit device"--any card, check, identification code or
17 other means of identification contemplated by the agreement
18 governing a plan.

19 "Loans"--cash advances or loans to be paid to or for the
20 account of the customer.

21 "Plan" or "open-end credit plan"--a plan contemplating the
22 extension of credit under an account governed by an agreement
23 between an institution and a customer pursuant to which:

24 (i) the institution permits the customer and, if the
25 agreement governing the plan so provides, persons acting on
26 behalf of or with authorization from the customer from time
27 to time to make purchases or to obtain loans or both by use
28 of a credit device,

29 (ii) the amounts of purchases made and loans obtained
30 are charged to the customer's account under the plan,

1 (iii) the customer is required to pay the institution
2 the amounts of all purchases and loans charged to the
3 customer's account under the plan but has the privilege of
4 paying the amounts outstanding from time to time in full or
5 installments, and

6 (iv) interest may be charged and collected by the
7 institution from time to time on the outstanding unpaid
8 indebtedness under such plan.

9 "Purchases"--payments for property of whatever nature, real
10 or personal, tangible or intangible, and payments for services,
11 licenses, taxes, official fees, fines, private or governmental
12 obligations or any other thing of value.

13 "Truth in Lending"--the Federal Truth in Lending Act (Public
14 Law 90-321, 15 U.S.C. § 1601 et seq.) and regulations
15 promulgated thereunder as in effect from time to time. The terms
16 "finance charge," "annual percentage rate," "credit card,"
17 "open-end credit" and "closed-end credit" have the same coverage
18 and meanings as the definitions of those terms under Truth in
19 Lending.

20 (b) Coverage--This section shall govern all direct and
21 indirect extensions of credit by an institution for personal,
22 family, household, business or agricultural purposes to an
23 individual, a partnership or an unincorporated association,
24 whether as closed-end credit or open-end credit, except
25 extensions of credit:

26 (i) which are secured by a first-lien, purchase money,
27 residential real estate mortgage,

28 (ii) which are student loans guaranteed by the
29 Pennsylvania Higher Education Assistance Agency, or

30 (iii) which are not subject to a maximum rate of

1 interest or finance charge or as to which the pleading of
2 usury as a defense is prohibited pursuant to Federal or State
3 law.

4 (c) Disclosures--In connection with an extension of credit,
5 an institution shall make applicable disclosures required by
6 Truth in Lending in lieu of any disclosure requirement which may
7 be imposed by Pennsylvania law.

8 (d) Agreements for extension of credit--An institution may
9 extend credit pursuant to this section on the basis of a written
10 agreement. An agreement shall be fully completed prior to
11 signature by the customer. A completed copy of such agreement,
12 including related statements, notices and documents, shall be
13 given to the customer. An agreement shall have the form and
14 contents required by Truth in Lending and shall, in addition,
15 provide if applicable:

16 (i) the amounts of available credit and the procedure or
17 means by which it may be obtained,

18 (ii) maturity provisions, installment payment
19 requirements, prepayment privileges and rebates of unearned
20 interest upon prepayment,

21 (iii) either the amounts or rates of interest, which may
22 be fixed or variable rates, or the basis for determining such
23 amounts or rates, which basis in the case of variable rates
24 must be an objectively determinable basis other than a basis
25 determined solely by the institution, subject to a maximum
26 rate of interest determined by the higher of the rate
27 established by the National Credit Union Administration Board
28 under 12 U.S.C. § 1757(5) (A) (vi) or the rate yielded by the
29 sum of the average percentage yield on United States Treasury
30 notes for a constant five-year maturity as published by the

1 Board of Governors of the Federal Reserve System rounded to
2 the nearer quarter of one percent, determined on the first
3 day of each calendar quarter, plus ten percent,

4 (iv) the method of determining balances of unpaid
5 indebtedness to which periodic rates of interest are
6 applicable which, in the case of an open-end credit plan,
7 may, if the agreement governing the plan so provides, include
8 the amount of any interest and other charges, including
9 delinquency charges, which have accrued in the account,

10 (v) charges which may be imposed in addition to
11 interest, in such amounts as the agreement provides, or as
12 established in the manner the agreement provides, such as,
13 but not limited to, minimum charges, check charges and
14 maintenance charges related to extensions of credit pursuant
15 to overdraft check plans, a delinquency charge of twenty
16 dollars (\$20) or ten percent of each installment or payment,
17 whichever is higher, which is in default for more than
18 fifteen days and fees, extension charges and actual charges
19 that may be incurred on default, including, but not limited
20 to, court and other collection costs and reasonable attorney
21 fees. Such additional charges may include a daily, weekly,
22 monthly, annual or other periodic charge for the privileges
23 made available to the customer under an open-end credit plan,
24 transaction charges for each separate purchase or loan under
25 the plan and a minimum charge for each scheduled billing
26 period under the plan, during any portion of which there is
27 an outstanding unpaid indebtedness under the plan,

28 (vi) collateral security and provisions relating
29 thereto, except that there may not be any authorization for
30 entry of judgment by confession nor any acceleration of a

1 loan or repossession of collateral unless there is a default
2 pursuant to the agreement, and

3 (vii) insurance coverages and premiums therefor.

4 Such agreements shall be valid and enforceable, and an
5 institution may impose and collect the interest and other
6 charges provided therein.

7 (e) Computation of interest--A fixed rate of interest
8 included in a finance charge shall be computed either on a
9 simple interest basis by a generally accepted actuarial method,
10 including a method permitted for determination of an annual
11 percentage rate under Truth in Lending or, as to an extension of
12 credit with an initial maturity of not more than sixty months,
13 which is made within two years after the effective date of this
14 section, on an add-on or discount basis. The maximum amount that
15 may be charged on the basis of a variable rate of interest shall
16 be computed in accordance with or with reference to a schedule
17 or formula at the times and for the periods provided in the
18 agreement. The periodic rate of interest, as so varied, will be
19 applicable to all outstanding unpaid indebtedness under the
20 agreement from the effective date of the variation if so
21 provided in the agreement.

22 (f) Changes in terms--An institution may change the terms of
23 the agreement if:

24 (i) the agreement so provides,

25 (ii) there is compliance with applicable notice
26 requirements of Truth in Lending prior to the effective date
27 of the change,

28 (iii) such notice states that a customer for whose
29 account a change in terms does not become effective may pay
30 all outstanding amounts pursuant to the agreement as in

1 effect prior to the notice, and

2 (iv) in the case of an increase in a fixed rate of
3 interest or other charges payable by the customer under an
4 open-end credit plan, the customer incurs additional
5 indebtedness after the effective date of the change of terms.

6 If the agreement governing the plan so provides, a change of
7 terms pursuant to this subsection may, on and after the date it
8 becomes effective as to an account, apply to all then
9 outstanding unpaid indebtedness. A change in the amount of
10 interest imposed in accordance with or with reference to a
11 schedule or formula for a variable rate of interest shall not be
12 deemed to be a change in terms, but a change in such schedule or
13 formula shall be deemed to be a change in terms. No change may
14 be made in a fixed rate of interest or other charges payable
15 with respect to the outstanding balance of indebtedness or in
16 the amount or due dates of required installment payments on
17 closed-end credit unless there is written consent of the
18 customer at the time of the change except for an extension of
19 any due date or an option granted by the institution to the
20 customer to omit payments and except as may be otherwise
21 provided in an agreement for an extension of credit which is not
22 for personal, family or household purposes.

23 (g) Prepayment--

24 (i) A borrower or buyer may prepay an extension of
25 credit in full at any time without any prepayment charge.

26 (ii) If interest has been precomputed, then, in the
27 event of prepayment of an extension of credit, the
28 institution shall refund to the customer the unearned portion
29 of the precomputed interest. The refund shall be in an amount
30 not less than the amount of the unearned precomputed interest

1 calculated in accordance with a generally accepted actuarial
2 method, including a method permitted for determination of an
3 annual percentage rate under Truth in Lending, except that
4 the amount of the unearned interest on an extension of credit
5 with an initial maturity of not more than sixty months which
6 is made within two years after the effective date of this
7 section for which interest is computed on an add-on or
8 discount basis as permitted by subsection (e) may be
9 calculated in accordance with the "sum of the balances"
10 method and except that the customer shall not be entitled to
11 a refund which results in a net minimum charge of less than
12 an amount equal to the interest that would accrue in the
13 first month the extension of credit was scheduled to be
14 outstanding. The institution shall not be required to refund
15 the unearned portion of the interest if such amount is less
16 than one dollar (\$1).

17 (iii) The amount of a refund under the "sum of the
18 balances" method is determined by multiplying the precomputed
19 interest by a fraction, the numerator of which is the sum of
20 the balances, including interest, of the extension of credit
21 scheduled to be outstanding after deducting the first of the
22 payments scheduled to be made on or after the date of
23 prepayment and the denominator of which is the sum of all the
24 unpaid balances, including interest, of the extension of
25 credit scheduled to be outstanding from its inception to and
26 including the maturity of the final installment. Intervals
27 between scheduled payments must be regular periods of one
28 month or less except that the interval between the inception
29 of an extension of credit and the due date of the first
30 scheduled payment may be:

- 1 (A) one month and fifteen days when the regular
2 payment interval is a month,
3 (B) one month when the regular payment interval is
4 less than a month but more than a week, or
5 (C) eleven days when the regular payment interval is
6 a week or less.

7 (h) Insurance--The agreement may provide for life, health,
8 accident, loss-of-income or other permissible insurance related
9 to an extension of credit under a group or individual policy
10 subject to the option of the customer to furnish required
11 insurance through an authorized insurer of the customer's choice
12 as provided in section 11 of the act of September 2, 1961
13 (P.L.1232, No.540), known as the "Model Act for the Regulation
14 of Credit Life Insurance and Credit Accident and Health
15 Insurance," and, if premiums for such insurance are paid to the
16 institution, provisions shall be made for rebates of unearned
17 premiums, if any, upon prepayment. An institution may require
18 that insurance be maintained, from an insurer acceptable to the
19 institution, against loss or damage to property which is
20 collateral security for the extension of credit and against
21 liability arising out of the ownership or use of such property.
22 An institution may grant an extension of credit to finance the
23 premiums for such insurance.

24 (i) Extensions of credit through intermediaries--An
25 extension of credit to finance a sale of a motor vehicle, other
26 than through an open-end credit plan, may be made by an
27 institution through a seller licensed as an installment seller
28 under the act of June 28, 1947 (P.L.1110, No.476), known as the
29 "Motor Vehicle Sales Finance Act," as an intermediary if:

30 (i) the agreement governing the extension of credit

1 conspicuously provides that the extension of credit is made
2 by the institution to the buyer and is subject to the
3 provisions of this section, and

4 (ii) either the institution has made a commitment to
5 make the extension of credit or the agreement is subject to
6 acceptance by the institution within two business days after
7 the date of the agreement and the institution upon such
8 acceptance sends written notice thereof to the buyer. The
9 terms and conditions under which the seller acts as an
10 intermediary between the institution and the buyer shall be
11 determined by written agreement between the institution and
12 the seller.

13 An extension of credit made through an intermediary pursuant to
14 this section shall be subject to this act and other acts
15 governing transactions between banks and their customers and
16 shall not be subject to the provisions or requirements of any
17 other regulatory statute, rule or regulation, and neither a
18 seller who acts as an intermediary for an institution with
19 respect to such an extension of credit nor an institution which
20 makes such an extension of credit through a seller as an
21 intermediary shall be deemed to be in violation of licensing or
22 other requirements of any other regulatory statute, rule or
23 regulation that would be applicable to extensions of credits by
24 such a seller or contractor to its customers.

25 (j) Right of rescission--A person whose ownership interest
26 in that person's principal dwelling is subject to a lien or
27 security interest as collateral security for an extension of
28 credit subject to this section shall have a right of rescission
29 for the same types of transactions on the same terms and
30 conditions and for the same time periods as those provided for

1 the right of rescission under Truth in Lending.

2 (k) Statement of account--Upon the written request of the
3 customer, an institution shall provide, within ninety days after
4 the end of each calendar year, a statement of the customer's
5 account showing payments made during such year, the amount
6 applied to interest and the balance of the account at the end of
7 such year.

8 (l) Waiver of provisions--No provision of this section which
9 confers rights on the customer or any other person may be waived
10 or modified except to the extent and in the circumstances in
11 which Truth in Lending permits a consumer to waive or modify the
12 right of rescission.

13 (m) Balloon payments--No agreement for an extension of
14 credit under this section containing terms of which principal is
15 repayable in installments may provide for a final payment which
16 is more than double the regularly scheduled payment exclusive of
17 overdue or extended payments, except in the case of automobile
18 financing transactions.]

19 Section 20. Section 401 of the act, amended July 6, 1995
20 (P.L.271, No.39), is amended to read:

21 Section 401. Application of Chapter

22 This chapter shall apply to, and the word "institution" in
23 this chapter shall mean, a bank and trust company, an interstate
24 bank which has fiduciary powers under its law of incorporation,
25 a trust company and a savings bank that has fiduciary powers,
26 except that section 407 shall apply only to a trust company. The
27 powers conferred by this chapter on a bank and trust company or
28 savings bank that has fiduciary powers shall be independent of,
29 and shall not expand, the banking powers of such an institution.

30 Section 21. Section 403 introductory paragraph and (c) of

1 the act, amended April 16, 1981 (P.L.9, No.4), are amended to
2 read:

3 Section 403. Actions Required, Permitted or Prohibited in
4 Fiduciary Capacity

5 The following rules shall be applicable to an institution
6 acting in [the capacity of fiduciary] any capacity provided for
7 under section 402.

8 * * *

9 (c) Deposits of funds and security--The institution may
10 deposit funds of [a fiduciary] an account awaiting investment or
11 distribution in:

12 (i) a depository which is authorized by law to receive
13 deposits and is subject to supervision by public authorities,
14 or

15 (ii) if the institution is a bank and trust company or a
16 savings bank, in its commercial, savings or other department
17 where the funds may be used in the conduct of its business
18 and, for an account for which the institution is acting as a
19 fiduciary under section 402(a)(i), to the extent so deposited
20 in an amount in excess of insurance provided by the Federal
21 Deposit Insurance Corporation, shall be secured by a pledge
22 of obligations [of the United States or of the Commonwealth
23 of Pennsylvania or obligations for which the full faith and
24 credit of the United States is pledged, or by a pledge of
25 other securities approved by the department, with a market
26 value not less than the amount of the funds secured, for the
27 pro rata benefit of each account whose funds are so deposited
28 in the event of insolvency of the institution] or securities

14 balances payable on all installment paper acquired by the
15 savings bank from the customer, irrespective of the legal
16 liability of the customer or absence of such liability,

17 (iii) to the extent that they exceed fifteen percent of
18 the capital accounts of the savings bank, obligations of the
19 customer as indorser or guarantor of notes, other than those
20 excluded by subsection (c)(ii), having a maturity of not more
21 than six months and actually owned by the customer

1 derivative transaction, repurchase agreement, reverse
2 repurchase agreement, securities lending transaction or
3 securities borrowing transaction between the savings bank and
4 the person.

5 (c) Indebtedness excluded--There shall be excluded from the
6 indebtedness of one customer to which the fifteen percent
7 limitation of this section applies:

8 (i) obligations in the form of negotiable drafts or
9 bills of exchange that have been drawn in good faith against
10 actually existing values in connection with the sale of goods
11 and which have been accepted or indorsed,

12 (ii) obligations arising out of the discount of
13 commercial or business paper actually owned by the customer
14 transferring it,

20 by the savings bank for the customer's account, except to the
21 extent that the savings bank acquires those acceptances,

22 (vi) obligations secured by documents of title covering:

23 (A) livestock,

24 (B) readily marketable nonperishable staples for a
25 period of not more than ten months from the date of the
26 document of title, or

27 (C) readily marketable frozen or refrigerated
28 staples for a period of not more than six months from the
29 date of the document of the title if such property has a
30 market value of not less than one hundred fifteen percent

1 of the amount of the obligation secured thereby and is
2 fully covered by insurance,

3 (vii) obligations of, and obligations guaranteed by:

4 (A) the United States,

5 (B) the Commonwealth of Pennsylvania or a state
6 where the savings bank lawfully maintains branches, a
7 political subdivision of the Commonwealth or such state,
8 a public body of the Commonwealth or such state or a
9 public body of a political subdivision of the
10 Commonwealth or such state, or

11 (C) any state of the United States or any political
12 subdivision of the United States if the obligations or
