26 capita or portion thereof of surplus financial effort that a
27 local library or library system shows that exceeds 150%, but

29 required to receive quality libraries aid. Eligibility for
30 Tier 2 funding does not preclude receipt of Tier 1 funding.

1 (d) Offsets prohibited.--The following shall apply:

2 (1) Unless the State Librarian accepts evidence of

12 (i) directly attributable to a gift or endowment to
13 a local library; or

14 (ii) there is a substantial decrease in the

16 the library or library system applied for aid.

17 § 9336. Equal distribution grants.

18 (a) Eligibility.--The following libraries shall be eligible
19 for equal distribution grants:

25 bookmobile.

26 § 9337. County coordination aid.

27 (a) General matching rule.--In the case of a county library
28 or library system in a county of the second through eighth
29 class, State aid shall be given in an amount measured by the
30 amount appropriated by the county government from county moneys

1 and shall be determined as follows:

2 <u>Class of County</u>	<u>Percentage Match</u>
3 <u>2</u>	<u>5%</u>
4 <u>2A and 3</u>	<u>30%</u>
5 <u>4</u>	<u>50%</u>
6 <u>5</u>	<u>50%</u>

27 subsection (a) multiplied by the level of county support
28 paid; or

29 (ii) an amount equal to the amount paid under
30 section 9342(b)(1) (relating to special rules for

1 specific fiscal years) provided that:

2 (A) the amount paid under section 9342(b)(1) was
3 10% above the amount of county coordination aid
4 received by the county in fiscal year 1999-2000; and

5 (B) the level of county support paid is
6 maintained.

7 (2) If the level of county support decreases from the
8 previous fiscal year, then the amount paid under this
9 subsection shall be an amount equal to the percentage match
10 in subsection (a) for the county multiplied by the reduced
11 level of county support paid.

12 (d) Priority of payments.--The following shall apply:

13 (1) Payments to a county library or library system in a
14 county of the second through seventh class shall be made from

20 (2) If the funds remaining after payments are made to
21 counties of the eighth class as provided in subsection (c)
22 are insufficient to pay the total amount for which each

11 person residing in those municipalities, whichever is less
12 and achieves the basic standards, shall qualify for basic
13 State aid. The aid shall not be less than 25¢ for each person
14 residing in the municipalities.

15 (2) If the allocation for basic aid exceeds the amount
16 necessary to pay the minimum rate, the entire allocation
17 shall be distributed at a per capita rate which shall be
18 determined by dividing the allocation by the number of
19 persons in this Commonwealth on behalf of which local
20 libraries and library systems apply and qualify for basic
21 aid. In the first year in which a library applies for State
22 aid it shall qualify by making a minimum financial effort

27 shall qualify for maximum State aid only when it increases
28 its financial effort by the following scale of percentages of
29 the difference between the financial effort with which the
30 library initially qualified for State-aid and a financial

1 effort equal to one-half mill, or \$2 per capita for each
2 person residing in the municipalities for which it applies
3 for aid, whichever is less:

4 1st succeeding year-20%

5 2nd succeeding year-40%

6 3rd succeeding year-60%

7 4th succeeding year-80%

8 5th succeeding year-100%.

9 (2) If the increase in any year is less than the
10 percentage specified under paragraph (1), the amount of State
11 aid shall be reduced by a percentage equal to one-fifth of
12 the percentage which the difference between the required
13 increase and the actual increase bears to the required
14 increase multiplied by the number of years of participation
15 in State aid beyond the first year.

16 (d) Ineligibility.--After the fifth succeeding year, a local
17 library shall not be eligible for further State aid unless it
18 makes a financial effort equal to one-half mill for the
19 municipalities on behalf of which it applies for aid, or \$2 per
20 capita for each person residing in those municipalities,
21 whichever is less.

22 § 9344. Incentive aid to local libraries.

28 residing in the direct service areas of the libraries which
29 qualify for incentive aid, shall be allocated as incentive aid.

30 (b) Incentive aid.--

1 (1) Any local library or library system which makes a
2 minimum financial effort equal to one-half mill, or \$2 per
3 capita for each person residing in its direct service area,
4 whichever is less, and fulfills the minimum standards for
5 local libraries or the minimum standards for library systems,
6 whichever is applicable, shall qualify for incentive aid,
7 which shall be in addition to all other amounts of aid
8 provided under this section.

9 (2) Each qualifying library or library system shall
10 receive incentive aid up to 50¢ for each \$1 of surplus
11 financial effort but if 50¢ per \$1 of surplus financial
12 effort is more than 25¢ per capita, the minimum incentive aid
13 shall be 25¢ per capita for each person residing in the
14 direct service area. If, after paying the minimum amount set
15 forth under this section, there is a balance in the
16 allocation, the balance shall be prorated among the libraries
17 and library systems which qualify for a larger amount of aid
18 at the rate of 50¢ for each \$1 of surplus financial effort
19 rather than at the rate of 25¢ per capita.
