19 referred to as the Municipal Police Pension Law, is amended by
20 adding a section to read:

21 Section 4.1. (a) A member of the police force employed by a
22 borough, town, township or regional police department, who has
23 been a regularly appointed full-time employe of the political
24 subdivision or regional police department for a period of at

1 least six months and who, prior to that period, was a member of
2 the force on a part-time basis, shall have his employment record
3 for pension or retirement benefits credited with the time spent
4 by him in part-time service.

5 (b) An ordinance or resolution establishing a police pension
6 fund may provide full service credit for each full or partial
7 year of part-time service, not to exceed five years, to a member
8 of the police force who was employed by the political
9 subdivision or regional police department during the part-time

14 Commission, not to exceed ten per centum, to the member's
15 average annual rate of compensation over the first three years
16 of municipal service and multiplying the result by the number of
17 years and fractional part of a year of creditable part-time
18 service being purchased together with interest at the rate of
19 four and three-quarters per centum compounded annually from the
20 date of initial entry into full-time municipal service to the
21 date of payment.

22 (c) A member of the police force shall be eligible to
23 receive service credit for part-time service as provided under
