REFERRED TO COMMITTEE ON HEALTH, DECEMBER 12, 2013

AN ACT

1 Prohibiting certain interference with access to health care
2 facilities; and prescribing penalties.

3 The General Assembly of the Commonwealth of Pennsylvania
4 hereby enacts as follows:

5 Section 1. Short title.

6 This act shall be known and may be cited as the Interference
7 with Access to Health Care Facilities Act.

8 Section 2. Legislative findings.

9 The General Assembly finds that:

10 (1) Access to health care facilities for the purpose of
11 obtaining medical counseling and treatment is important for
12 residents of and visitors to this Commonwealth and that the
13 Commonwealth has a substantial interest in protecting such
14 access.

15 (2) The people's right to protest or counsel against
16 certain medical procedures is protected by the First

1 Amendment and the exercise of this right must be balanced
2 against the people's right to obtain medical counseling and
3 treatment free from violence, intimidation or obstruction.

4 (3) The law enforcement resources of the Commonwealth
5 and its municipalities have been consistently called upon to
6 mediate the disputes between persons seeking medical
7 counseling and treatment and persons who would counsel
8 against their actions so as to:

9 (i) prevent violent confrontations which would lead
10 to criminal charges; and

11 (ii) enforce existing State law and local ordinances
12 which regulate use of public sidewalks and other conduct.

13 (4) There is a need to reduce the risk of violence and
14 ensure unobstructed access to health care facilities, which
15 need may be met by setting clear guidelines for activity in
16 the immediate vicinity of the entrances to health care
17 facilities.

18 (5) This act should be construed and enforced in a
19 content-neutral manner, without regard to the message or
20 viewpoint of a speaker.

21 (6) The limited buffer zones outside of health care
22 facilities established by this act will allow patients to
23 have safe and unimpeded access to medical services, while
24 ensuring that the constitutional rights of protesters to
25 communicate their message to their intended audience is not
26 impaired.

27 Section 3. Definition.

28 For purposes of this act, "health care facility" means a
