5 CHAPTER 1

6 PRELIMINARY PROVISIONS

7 Section 101. Short title.

8 This act shall be known and may be cited as the Pennsylvania
9 Office of Faith-Based and Nonprofit Community Organizations Act.

10 Section 102. Legislative policy and declaration.

11 The General Assembly finds and declares as follows:

12 (1) This Commonwealth benefits from a rich diversity of
13 faith-based and nonprofit community organizations that
14 provide crucial aid to many Pennsylvania residents, including
15 assistance for the needy, children, families and
16 neighborhoods.

17 (2) Committed volunteers in faith-based and nonprofit
18 community organizations bring unique skills, services and
19 resources to bear in assisting Pennsylvania residents.

20 (3) Many faith-based and nonprofit community
21 organizations lack the organizational resources to
22 effectively engage government agencies in collaborative
23 projects to help meet the needs of Pennsylvania residents.

24 (4) It is beneficial to encourage communication between
25 governmental entities and faith-based and nonprofit community
26 organizations, recognizing the importance of sharing
27 information about and encouraging the best practices of
28 faith-based and nonprofit community organizations.

29 (5) There are many opportunities for faith-based and
30 nonprofit community organizations to partner with

1 governmental entities to help deliver vital services in our
2 communities, such as giving ex-offenders a second chance at
3 work.

4 (6) The Commonwealth is required to spend Federal grants
5 in accordance with Charitable Choice provisions contained in
6 the Personal Responsibility and Work Opportunity
7 Reconciliation Act of 1996 (Public Law 104-193, 110 Stat.
8 2105), the Community Services Block Grant Act (Public Law 97-
9 35, 95 Stat. 511) and Substance Abuse and Mental Health
10 Services Administration programs and the similar Equal
11 Treatment regulations that govern other federally funded
12 social services, aimed at providing funds to faith-based
13 organizations on the same basis as any other nongovernmental
14 provider without impairing the religious character of the
15 organizations and without diminishing the religious freedom
16 of beneficiaries of assistance.

17 (7) Pennsylvania residents can benefit from a
18 comprehensive and coordinated effort to improve and
19 strengthen faith-based and nonprofit community organizations
20 in this Commonwealth by identifying and removing any
21 unnecessary administrative barriers to fair competition for
22 government funding and leveling the playing field for faith-
23 based and nonprofit community organizations so that
24 government may choose the most effective partner to provide
25 the public services.

26 (8) The effort to support faith-based and nonprofit
27 community organizations in Pennsylvania should be facilitated
28 by having a prominent office with a direct relationship to
29 the Governor.

2 have the meanings given to them in this section unless the
