23 Section 1. The act of July 31, 1968 (P.L.805, No.247), known
24 as the Pennsylvania Municipalities Planning Code, reenacted and
25 amended December 21, 1988 (P.L.1329, No.170), is amended by
26 adding a section to read:

27 Section 919. Compelled Removal.--(a) The following shall

1 apply in cases in which an outdoor advertising display is
2 lawfully placed on a lot:

3 (1) If the land use ordinances in effect at the time an
4 outdoor advertising display is lawfully placed on a lot do
5 not require that the outdoor advertising display be removed
6 as a condition or prerequisite for concurrent use approval,
7 those ordinances, if not amended, shall not be subsequently
8 applied so as to require that the outdoor advertising display
9 be removed as a condition or prerequisite for concurrent use
10 approval.

11 (2) If the land use ordinances or amendments adopted
12 after an outdoor advertising display has been lawfully placed
13 on a lot prohibit concurrent use approval, the outdoor
14 advertising display shall be deemed a preexisting
15 nonconforming use with regard to that prohibition and as
16 such, the municipality may not enforce a subsequently adopted
17 provision in the land use ordinance which would require that
18 the preexisting nonconforming outdoor advertising display be
19 removed as a condition or prerequisite to concurrent use
20 approval.

21 (3) The protection afforded an outdoor advertising
22 display under paragraphs (1) and (2) shall not apply if the
23 requested permit, license or approval is for construction of
24 a building or structure which cannot be built without
25 physically removing the outdoor advertising display.

26 (b) The term "concurrent use approval" as used in this
27 section shall mean the issuance or continuance of a permit,
28 license or other approval for a particular use, structure,
29 development or activity on the lot on which the outdoor
30 advertising display has been placed.

1 Section 2. This act shall take effect in 60 days.
