7 911 system's average reported allowable 911 system costs for
8 the five years immediately preceding the effective date of
9 this section.

10 (6) Notwithstanding the provisions of paragraph (5), the
11 total annual disbursement from the fund to any one 911 system

1 remittance of surcharge by providers of 911 communications
2 services) for the five years immediately preceding the
3 effective date of this section.

4 (3) The remaining amount distributed to each 911 system
5 shall be based on the ratio that its average reported
6 allowable 911 system costs for the five years immediately
7 preceding the effective date of this paragraph bear to the
8 average reported allowable 911 system costs for all 911
9 systems for the five years immediately preceding the
10 effective date of this paragraph.

11 (g) Surplus.--

12 (1) If excess money remains available in the fund after
13 the distribution and balanced disbursements required under
14 subsections (d) and (e), the agency shall distribute the
15 remaining money for the enhancement, operation or maintenance
16 of 911 systems as provided under subsection (d)(1) in this
17 Commonwealth in accordance with the Statewide 911 system
18 plan.

19 (2) If the fund experiences a surplus as described in

15 first and shall remit to the State Treasurer the lesser
16 amount, if any, resulting from the application.

17 (4) The surcharge shall not be:

18 (i) Subject to taxes or charges levied by the

20 or, in a home rule county, the county official responsible for
21 the collection and disbursement of funds shall, on a quarterly
22 basis, pay from funds of the restricted account to a
23 municipality which operates a 911 system a sum of money not less

29 operation and maintenance of a Statewide integrated wireless
30 E-911 system, formulate technical standards and determine

1 permitted uses of and amounts disbursed from the Wireless E-
2 911 Emergency Services Fund, including the costs of PSAPs and
3 wireless providers that are eligible for payment from the
4 fund.

5 (3) To approve each county's county plan, or amendment
6 to its agency-approved county plan, incorporating wireless E-
7 911 service capabilities as may be submitted by the county to
8 the agency.

9 (4) To provide counties with plans that contain cost-
10 saving measures that provide joint purchasing opportunities
11 and facilitate regionalization of technology and
12 consolidation of PSAPs and their operations. The agency shall
13 provide suggested industry-acceptable and uniform standards
14 for levels of staffing and uniform standards of operation.

15 (b) Wireless E-911 State plan.--The agency shall prepare,
16 maintain and keep current, after adequate public notice and
17 opportunity to comment and after consideration of the
18 recommendations of the wireless subcommittee of the advisory
19 committee, a wireless E-911 State plan providing for all aspects
20 of the development, implementation, operation and maintenance of
21 a Statewide integrated wireless E-911 system in accordance with
22 the FCC E-911 Order. Under the plan, the agency shall:

23 (1) Establish model agreements for mutual aid
24 agreements, cross-service agreements, service contracts and
25 all other documents by and among public agencies, PSAPs and
26 wireless providers that may be required in the implementation
27 of the wireless E-911 State plan, review the agreements and
28 documents for consistency with the applicable county plan and
29 assist the parties in assuring their execution.

30 (2) Require each wireless provider to notify the agency

1 of each county in which it is licensed on March 29, 2004, and
2 provides wireless service and, at the time new service is
3 initiated, each county in which it is licensed and initiates
4 wireless service and to notify counties of wireless service
5 within each county, specifically noting wireless service to
6 more than one county. In the event of disputes among PSAPs
7 regarding the PSAP to which a wireless provider routes 911
8 calls, the routing shall be determined by the agency.

9 (3) Establish uniform Statewide standards for the format
10 and content of wireless automatic location information and
11 wireless automatic number identification, which standards
12 shall be the standards adopted by the National Emergency
13 Number Association, as amended by that organization. Wireless
14 providers will use the applicable National Emergency Number
15 Association data transmission format standards to deliver the
16 data to the wireless E-911 system.

17 (4) Forward a copy of the completed plan and any
18 revision of the plan to all affected counties, PSAPs,
19 wireless providers, local exchange carriers, competitive
20 local exchange carriers and interexchange carriers.

21 (5) Require each wireless provider to provide the agency
22 with a 24-hour, seven-days-a-week contact telephone number or
23 pager number for use by PSAPs in emergency situations.

24 § 5311.3. Advisory committee.

25 (a) Establishment.--There is established an advisory

11 Communications and Technology Committee of the Senate and the
12 chairman and minority chairman of the Veterans Affairs and
13 Emergency Preparedness Committee of the House of
14 Representatives, or their designees.

15 The Governor, upon recommendation of the applicable Statewide
16 organizations, associations and industry segments, shall appoint
17 the committee members, who will each serve a two-year term.

18 Advisory committee membership shall be limited to one
19 representative per organization or corporate entity.

20 (c) Roles and responsibilities.--The advisory committee
21 shall make recommendations to the agency regarding the
22 formulation of technical, administrative and operational
23 standards for use in overseeing 911 programs Statewide.

24 (d) Reimbursement.--The members of the advisory committee
25 shall serve without compensation but shall be reimbursed for
26 their actual and necessary travel and other expenses in
27 connection with attendance at meetings called by the
28 chairperson.

29 (e) Advisory committee subcommittees.--The chairperson may
30 create, within the committee membership, subcommittees to study

16 (ii) To make recommendations to the agency regarding
17 the preparation and periodic revision of a wireless E-911
18 State plan providing for the development, implementation,
19 operation and maintenance of a Statewide integrated
20 wireless E-911 system in accordance with the FCC E-911
21 Order.

22 (iii) To make recommendations to the agency
23 regarding the approval or disapproval of wireless
24 provider service agreements and the formulation of
25 technical standards.

26 (iv) To make recommendations to the agency regarding
27 the development of guidelines, rules and regulations
28 required to address the administration of the Statewide
29 E-911 wireless plan and the disbursement of money from
30 the Wireless E-911 Emergency Services Fund.

1 (v) To make recommendations to the agency regarding
2 the development of the annual report required of the
3 agency by this chapter, including, but not limited to,
4 recommendations concerning adjustments of the wireless E-
5 911 surcharge.

6 § 5311.4. Wireless E-911 Emergency Services Fund.

7 (a) Establishment of fund.--There is established in the
8 State Treasury a nonlapsing restricted interest-bearing account
9 to be known as the Wireless E-911 Emergency Services Fund. The
10 fund shall consist of the fees collected under subsections (b)
11 and (b.1), funds appropriated by the General Assembly and funds
12 from another source, private or public. Money in the fund and
13 the interest it accrues is appropriated to the Pennsylvania
14 Emergency Management Agency to be disbursed by the agency. The
15 money in the fund shall be used only for the following costs:

16 (1) PSAP and wireless provider costs resulting from
17 compliance with the FCC E-911 Order, including development,
18 implementation and testing, operation and maintenance of a
19 Statewide integrated wireless E-911 system. Costs paid from
20 the fund must be eligible recurring or nonrecurring costs as
21 determined by the agency in accordance with sections
22 5311.2(a) (relating to powers and duties of agency) and
23 5311.5 (relating to disbursement of fund amounts by agency)
24 for wireless E-911 service provided in accordance with the
25 FCC E-911 Order or a county plan or amended county plan
26 approved by the agency.

27 (2) The agency-approved costs of PSAPs specified in
28 section 5308(b) (relating to expenditures for nonrecurring
29 costs, training, mobile communications equipment, maintenance
30 and operation of 911 systems) that relate directly or

1 indirectly to the provision of wireless E-911 service, to the
2 extent:

3 (i) the costs are not included in the costs paid
4 under paragraph (1) and the approved E-911 costs provided
5 in paragraph (1) have been reimbursed; and

6 (ii) the costs do not exceed the percentage of the
7 actual ratio of demonstrated wireless calls to
8 demonstrated total emergency call volume times the amount
9 of money in the fund, and further:

10 (A) The amount of the costs that may be
11 reimbursed is limited to 25% of the fund if a
12 majority of wireless providers serving the geographic
13 area covered by the PSAP have been tested and
14 accepted by the PSAP for wireless E-911 Phase I
15 service.

16 (B) The amount of the costs that may be
17 reimbursed is limited to 50% of the fund if all of
18 the wireless providers serving the geographic area
19 covered by the PSAP have been tested and accepted by
20 the PSAP for wireless E-911 Phase I service.

21 (C) The amount of the costs that may be
22 reimbursed is limited to 75% of the fund if a
23 majority of wireless providers serving the geographic
24 area covered by the PSAP have been tested and
25 accepted by the PSAP for wireless E-911 Phase II
26 service.

27 (D) The amount of the costs that may be
28 reimbursed is limited to 100% of the fund if all of
29 the wireless providers serving the geographic area
30 covered by the PSAP have been tested and accepted by

1 the PSAP for wireless E-911 Phase II service.

2 (iii) If, under an FCC E-911 waiver, a wireless
3 provider is temporarily relieved of its obligation to
4 provide wireless E-911 Phase II service in the geographic
5 area covered by a requesting PSAP, the wireless carrier
6 shall be disregarded in the determinations to be made
7 under subparagraphs (i) and (ii) until the wireless
8 carrier's obligation to provide wireless E-911 Phase II
9 service again becomes effective.

10 (b) Wireless E-911 surcharge.--Each wireless service
11 customer shall pay a fee, to be known as a wireless E-911
12 surcharge, in an amount of \$1 per month for each device that
13 provides wireless service for which that customer is billed by a
14 wireless provider for wireless service. The fee shall be
15 collected apart from and in addition to a fee levied by the
16 wireless provider in whole or in part for the provision of 911
17 services.

18 (1) Wireless providers shall collect the fee on behalf
19 of the agency as part of their billing process and shall have
20 no obligation to take any legal action to enforce the
21 collection of the surcharge. Action may be brought by or on
22 behalf of the agency. Upon written request of the agency,
23 each wireless provider shall annually provide a list of the
24 names and addresses of those wireless service customers
25 carrying a balance that have failed to pay the wireless E-911
26 surcharge. The wireless provider shall not be liable for the
27 unpaid amounts.

28 (2) If a wireless provider receives a partial payment
29 for a monthly bill from a wireless service customer, the
30 wireless provider shall apply the payment against the amount

1 the wireless service customer owes the wireless provider
2 first and shall remit to the State Treasurer the lesser
3 amount, if any, resulting from the application.

4 (3) The fees collected under this subsection shall not
5 be subject to taxes or charges levied by the Commonwealth or
6 a political subdivision of this Commonwealth, nor shall the
7 fees be considered revenue of the wireless provider for any
8 purpose.

9 (4) The provisions of this subsection shall not apply to
10 sellers, providers or consumers of prepaid wireless
11 telecommunications service.

12 (b.1) Prepaid wireless E-911 surcharge.--

13 (1) There is imposed a prepaid wireless E-911 surcharge
14 of \$1 per retail transaction or the adjusted surcharge, if
15 any, established under paragraph (5). The \$1 surcharge shall
16 be applied to the cost of each retail transaction regardless
17 of whether the service or prepaid wireless device was
18 purchased in person, by telephone, through the Internet or by
19 any other method.

20 (2) A prepaid wireless E-911 surcharge shall be
21 collected by the seller from the consumer for each retail
22 transaction occurring in this Commonwealth. The amount of the
23 prepaid wireless E-911 surcharge shall be either separately
24 stated on an invoice, receipt or other similar document that
25 is provided to the consumer by the seller or otherwise
26 disclosed to the consumer. A retail transaction that is
27 effected in person by a consumer at a business location of
28 the seller shall be treated as occurring in this Commonwealth
29 if that business location is in this Commonwealth, and any
30 other retail transaction shall be treated as occurring in

1 this Commonwealth if the retail transaction is treated as
2 occurring in this Commonwealth for the purposes of section
3 202(e.1) of the act of March 4, 1971 (P.L.6, No.2), known as
4 the Tax Reform Code of 1971.

5 (3) A prepaid wireless E-911 surcharge is a liability of
6 the consumer and not of the seller or any provider, except
7 that the seller shall be liable to remit the prepaid wireless
8 E-911 surcharges that the seller collects from consumers as
9 provided under paragraph (6), including the charges that the
10 seller is deemed to collect if the amount of the surcharge
11 has not been separately stated in an invoice, receipt or
12 other similar document provided to the consumer by the
13 seller.

14 (4) The amount of the prepaid wireless E-911 surcharge
15 that is collected by a seller from a consumer, whether or not
16 the amount is separately stated on an invoice, receipt or
17 similar document provided to the consumer by the seller,
18 shall not be included in the base for measuring a tax, fee,
19 surcharge or other charge that is imposed by the
20 Commonwealth, a political subdivision or an intergovernmental
21 agency.

22 (5) The prepaid wireless E-911 surcharge shall be
23 proportionately increased or reduced, as applicable, upon any
24 change to the wireless E-911 surcharge imposed under
25 subsection (b). The increase or reduction shall be effective
26 on the effective date of the change to the surcharge imposed
27 under subsection (b) or, if later, the first day of the first
28 calendar month to occur at least 60 days after the effective
29 date of the change to the surcharge imposed under subsection
30 (b). The Department of Revenue shall provide not less than 30

1 days' notice of an increase or reduction on its public
2 Internet website.

3 (6) Prepaid wireless E-911 surcharges collected by a
4 seller shall be remitted to the Department of Revenue at the
5 times provided under Article II of the Tax Reform Code of
6 1971. The department shall establish payment procedures that
7 substantially coincide with the payment procedures of Article
8 II of the Tax Reform Code of 1971, except the department may
9 require the filing of returns and the payment of the
10 surcharge by electronic means.

11 (7) During the first 180 days after the effective date
12 of this section, a seller may deduct and retain 35% of the
13 prepaid wireless surcharges collected by the seller from
14 consumers for direct start-up costs. After the implementation
15 period, a seller may deduct and retain up to 3% of prepaid
16 wireless E-911 surcharges that are collected by the seller
17 from consumers for administrative purposes.

18 (8) The assessment, audit, appeal, collection and
19 enforcement procedures and other pertinent provisions
20 applicable to the sales and use tax imposed under Article II
21 of the Tax Reform Code of 1971 shall apply to prepaid
22 wireless E-911 surcharges.

23 (9) The department shall establish procedures by which a
24 seller of prepaid wireless telecommunications service may
25 document that a sale is not a retail transaction, which
26 procedures shall substantially coincide with the procedures
27 for documenting sale for resale transactions for sales and
28 use tax purposes under Article II of the Tax Reform Code of
29 1971.

30 (10) The department shall pay all remitted prepaid

1 wireless E-911 surcharges to the State Treasurer for deposit
2 into the fund within 30 days of receipt, for use as provided
3 in this chapter. The department may retain up to 2% of
4 remitted surcharges to pay for department expenses directly
5 related to the costs of administering the collection and
6 remittance of prepaid wireless E-911 surcharges.

7 (11) The provisions of section 5311.9 (relating to
8 immunity) shall apply to providers and sellers of prepaid
9 wireless telecommunications service.

10 (12) The prepaid wireless E-911 surcharge shall be the
11 only E-911 funding obligation imposed regarding prepaid
12 wireless telecommunications service in this Commonwealth. No
13 tax, fee, surcharge or other charge may be imposed by the
14 Commonwealth, a political subdivision or an intergovernmental
15 agency for E-911 funding purposes, on a provider, seller or
16 consumer with respect to the sale, purchase, use or provision
17 of prepaid wireless telecommunications service.

18 (c) Remittance of fees.--On a quarterly basis, each wireless
19 provider shall remit the fees collected under subsection (b) to
20 the State Treasurer for deposit into the fund.

21 (d) Reimbursement of wireless provider and PSAP costs.--

22 (1) From every remittance, the wireless provider shall
23 be entitled to deduct and retain an amount not to exceed 2%
24 of the gross receipts collected as reimbursement for the
25 administrative costs incurred by the wireless provider to
26 bill, collect and remit the surcharge.

27 (2) Wireless providers and PSAPs shall be entitled to
28 payment from the fund in the manner provided in section
29 5311.5(c) for the following costs:

30 (i) recurring costs approved by the agency under

1 agency rules associated with the development,
2 implementation, operation and maintenance of wireless E-
3 911 service in the geographic area served by the
4 requesting PSAP; and

5 (ii) nonrecurring costs approved by the agency under
6 agency rules associated with the development,
7 implementation, operation and maintenance of wireless E-
8 911 service in the geographic area served by the
9 requesting PSAP.

10 (3) In no event shall costs be paid that are not related
11 to a wireless provider's or PSAP's compliance with
12 requirements established by the wireless E-911 State plan,
13 the FCC E-911 Order or the wireless E-911 provisions of an
14 agency-approved county plan or amended county plan.

15 (4) Costs incurred by a PSAP or wireless provider for
16 wireless E-911 service shall be paid by the agency provided
17 that the costs comply with the requirements of this section
18 and section 5311.5, were incurred after January 1, 1998, and
19 are determined by the agency, after application in accordance
20 with section 5311.5(c), to be eligible for payment from the
21 fund. Costs that the agency determines to be eligible shall
22 be paid as provided in section 5311.5.

23 (5) Nothing in this chapter shall prevent a wireless
24 provider from recovering its costs of implementing and
25 maintaining wireless E-911 service directly from its
26 customers, whether itemized on the customer's bill or by any
27 other lawful method. No wireless provider that levies a
28 separate fee for provision of E-911 wireless service in the
29 geographic area served by the requesting PSAP may receive a
30 reimbursement for the same costs.

1 (e) Reporting by wireless providers.--With each remittance a
2 wireless provider shall supply the following information to the
3 State Treasurer and to the agency:

4 (1) The total fees collected through the wireless E-911
5 surcharge from its wireless service customers during the
6 reporting period.

7 (2) The total amount retained by it as reimbursement for
8 administrative costs to cover its expenses of billing,
9 collecting and remitting the fees collected from the wireless
10 E-911 surcharge during the reporting period.

11 (3) Until the nonrecurring costs have been recovered by
12 a wireless provider, the total amount it has been reimbursed
13 by the agency for nonrecurring costs associated with the
14 development, implementation, operation and maintenance of
15 wireless E-911 service during the reporting period.

16 (f) Information to be supplied by wireless providers.--
17 Wireless providers shall provide the agency with the information
18 it shall request in writing in order to discharge its
19 obligations under this section, including the collection and
20 deposit of the wireless E-911 surcharge and its administration
21 of the fund. Information supplied by wireless providers under
22 this section shall remain confidential, and release of the
23 information shall be governed by section 5311.7 (relating to
24 public disclosure and confidentiality of information).

25 (g) Prohibition.--No part of the fund, including an excess
26 amount under section 5311.6(a) (relating to reporting), shall be
27 used for any purpose unless expressly authorized by this
28 chapter.

29 (h) Surcharge sunset.--The wireless E-911 surcharge fee
30 established in subsections (b) and (b.1) shall terminate on June

1 30, 2015, unless extended by an act of the General Assembly.

2 § 5311.5. Disbursement of fund amounts by agency.

3 (a) Expenditures for wireless E-911 systems.--During each
4 fiscal year the agency may, only in furtherance of the wireless
5 E-911 State plan, disburse money from the Wireless E-911
6 Emergency Services Fund to PSAPs with agency-approved county
7 plans or amended county plans and wireless providers for the
8 following purposes:

9 (1) To pay the costs of PSAPs and wireless providers
10 provided for in section 5311.4(a)(1) and (d)(2) (relating to
11 Wireless E-911 Emergency Services Fund) and the costs of
12 PSAPs provided for in section 5311.4(a)(2).

13 (2) To train emergency service personnel regarding
14 receipt and use of wireless E-911 service information.

15 (3) To educate consumers regarding the operations,
16 limitations, role and responsible use of wireless E-911
17 service.

18 (b) Limitations on use of fund amounts by PSAPs.--No PSAP
19 shall receive a disbursement from the fund for any cost
20 necessary to house the wireless E-911 system or for the purchase
21 of real estate, cosmetic remodeling, ambulances, fire engines or
22 other emergency vehicles, utilities, taxes and other expenses as
23 determined by the agency. No PSAP may be funded for more than
24 70% of its agency-approved personnel training, salary and
25 benefit costs during the agency's fiscal year.

26 (c) Manner of payment.--Each PSAP and wireless provider
27 shall submit to the agency each year, not later than 120 days
28 before the first day of the agency's fiscal year, the eligible
29 costs it expects to incur for wireless E-911 service during the
30 next fiscal year of the agency. The submission may include

1 eligible costs that the PSAP or wireless provider has already
2 incurred for wireless E-911 service at the time of the
3 submission. The agency shall review the submission, ensure that
4 the costs are eligible for payment from the fund and notify the
5 submitting PSAP or wireless provider, not later than 30 days
6 before the first day of the agency's fiscal year, of the
7 eligible costs. The agency shall disburse funds to each PSAP and
8 wireless provider for costs the agency determines to be eligible
9 only up to the amount of fund revenue available for distribution
10 during the agency's fiscal year. No costs may be carried forward
11 for payment by the agency in subsequent fiscal years, except
12 that the agency shall fund all approved and unfunded costs
13 submitted in wireless fiscal year 2012-2013 that are applied for
14 in wireless fiscal year 2013-2014. Payment shall be made in four
15 equal payments during the first month of each quarter of the
16 agency's fiscal year as follows:

17 (1) The agency shall first pay the costs approved for
18 each PSAP that are payable in the quarter.

19 (2) Following the payment of approved costs to a PSAP
20 for Phase I deployment of wireless E-911 service as set forth
21 in the FCC E-911 Order, but only after the PSAP has issued
22 its request to wireless providers to furnish Phase I wireless
23 E-911 service pursuant to the FCC E-911 Order, the agency
24 shall pay the approved costs of wireless providers that are
25 payable in the quarter to provide the requested wireless E-
26 911 service to that PSAP.

27 (3) Following the payment of approved costs to a PSAP
28 for Phase II deployment of wireless E-911 service as set
29 forth in the FCC E-911 Order, but only after the PSAP has
30 issued its request to wireless providers to furnish Phase II

1 wireless E-911 service pursuant to the FCC E-911 Order, the
2 agency shall pay the approved costs of wireless providers
3 that are payable in the quarter to provide the requested
4 wireless E-911 service to that PSAP.

5 (4) In any quarter of the agency's fiscal year, all
6 costs specified in section 5311.4(a)(1) that are approved by
7 the agency for payment to PSAPs or wireless providers shall
8 be paid before any other costs payable under this chapter are
9 paid to any PSAP or wireless provider. In the first quarter
10 of the agency's fiscal year, the agency shall determine
11 whether payments to PSAPs and wireless providers during the
12 preceding fiscal year exceeded or were less than the eligible
13 costs incurred by each PSAP and wireless provider submitting
14 costs during the fiscal year. Each PSAP and wireless provider
15 shall provide verification of the costs as required by the
16 agency. Any overpayment shall be refunded to the agency or,
17 with the agency's approval, may be used to pay agency-
18 approved costs the PSAP or wireless provider submitted for
19 the current fiscal year of the agency. The agency shall
20 reconsider a determination of eligible costs under this
21 subsection upon request by a submitting PSAP or wireless
22 provider and shall provide a procedure for the
23 reconsideration.

24 (d) Pro rata sharing of fund amounts.--

25 (1) If the total amount of money in the fund in any
26 quarter is insufficient to pay for both agency-approved PSAP
27 costs and agency-approved wireless provider costs which are
28 payable in the quarter under subsection (c) for both Phase I
29 deployment and Phase II deployment of wireless E-911 service
30 as set forth in the FCC E-911 Order, then payments from the

1 fund for that quarter shall be made as follows:

2 (i) The agency-approved Phase I deployment costs of
3 a PSAP and those wireless providers to which the PSAP has
4 issued its request for Phase I wireless E-911 service
5 shall be paid before any agency-approved costs for Phase
6 II deployment are paid.

7 (ii) If, notwithstanding subparagraph (i), the total
8 amount of money in the fund in the quarter is
9 insufficient to pay all Phase I deployment costs of both
10 PSAPs and wireless providers which are payable in the
11 quarter, then each requesting PSAP and each requesting
12 wireless provider shall receive, for payment of Phase I
13 deployment costs, a pro rata share of the total amount of
14 money in the fund in the quarter.

15 (iii) If the total amount of money in the fund in
16 the quarter is insufficient to pay all agency-approved
17 Phase II deployment costs of both PSAPs and wireless
18 providers which are payable in the quarter, then each
19 requesting PSAP and each requesting wireless provider
20 shall receive, for payment of Phase II deployment costs,
21 a pro rata share of the total money in the fund which are
22 available in the quarter for payment of Phase II
23 deployment costs.

24 (2) For any PSAP or wireless provider, pro rata shares
25 shall be computed based upon the total dollar amount of money
26 available in the fund for payment of Phase I or Phase II
27 deployment costs, whichever is applicable, multiplied by the
28 ratio of:

29 (i) the total dollar amount of agency-approved but
30 unpaid costs of that PSAP or wireless provider for Phase

1 I or Phase II deployment, whichever is applicable; to
2 (ii) the total dollar amount of all agency-approved
3 but unpaid costs.

4 (e) Triennial financial audit.--The agency shall require a
5 triennial financial audit of each PSAP's use of the
6 disbursements it has received from the fund and of a wireless
7 provider's collection, deduction, retention, remittance and use
8 of the amounts collected by the wireless provider under the
9 wireless E-911 surcharge or the disbursements it received from
10 the fund. These triennial financial audits shall be consistent

7 Operators of shared residential MLTS serving residential
8 customers shall ensure that a telecommunications system at least
9 six months after the effective date of this section is connected
10 to the public switched telephone network such that calls to 911
11 result in one distinctive ANI and ALI for each living unit.

12 § 5311.16. Business MLTS.

13 (a) General rule.--For an MLTS serving business locations at
14 least six months after the effective date of this section, the
15 MLTS operator shall deliver the 911 call with an ELIN which
16 shall result in one of the following:

17 (1) An ERL which provides, at a minimum, the building
18 and floor location of a caller.

19 (2) An ability to direct response through an alternative
20 and adequate means of signaling by the establishment of a
21 private 911 emergency answering point.

23 reasonable effort to ensure that 911 callers are aware of the
24 proper procedures for calling for emergency assistance.

25 (c) Exceptions.--Workspaces with less than 7,000 square feet
26 on a single level, and located on a single contiguous property,
27 are not required to provide more than one ERL, and key telephone

29 § 5311.17. Shared communications services.

30 Providers of shared communications services installed at

1 least six months after the effective date of this section shall
2 assure that the MLTS is connected to the public switched
3 telephone network such that calls to 911 from any telephone
4 result in ALI for each respective ERL of each entity sharing the
5 telecommunications services.

6 § 5311.18. Temporary residence.

7 Businesses providing MLTS service to a temporary residence
8 shall permit the dialing of 911, and the MLTS operator shall
9 ensure that the MLTS is connected to the public switched

23 § 5311.20. ALI database maintenance.

24 If applicable, MLTS operators must arrange to update the ALI
25 database with an appropriate Master Street Address Guide valid
26 address and callback information for each MLTS telephone, such
27 that the location information specifies the ERL of the caller.
28 These updates must be downloaded or otherwise made available to
29 the ALI database provider as soon as practicable for a new MLTS
30 installation, or within one business day of record completion of

1 the actual changes for MLTS installed before the effective date
2 of this section. The information is subject to all Federal and

7 Local exchange carriers and providers shall be responsible
8 for providing 911 call interconnectivity through the use of
9 generally accepted industry standards.

10 § 5311.22. Dialing instructions.

11 An owner or operator of a multiline telephone system
12 installed after the effective date of this section shall ensure
13 that the system is connected to the public switched telephone
14 network in such a manner that when a user dials 911, the
15 emergency call connects directly to the appropriate 911 system:

16 (1) without first dialing any numbers or set of numbers;

17 and

18 (2) without being intercepted by a switchboard operator,
19 attendant or other designated onsite individual.

20 § 5311.23. MLTS signaling.

21 An MLTS shall support 911 calling by using any generally
22 accepted industry standard signaling protocol designed to
23 produce an automatic display of caller information on the video
24 terminal of the PSAP call taker unless the MLTS operator is
25 exempt or a waiver has been granted.

26 § 5311.24. MLTS operator education.

27 Each public agency providing 911 educational programs is
28 encouraged to develop a program to educate MLTS operators
29 related to accessing 911 emergency telephone systems and
30 coordinate adequate testing of the MLTS interface to the 911

1 system.

2 § 5311.25. Limitation of liability.

3 A local exchange carrier, Internet service provider,
4 manufacturer or provider of MLTS, MLTS manager, MLTS operator or
5 911 service provider shall not be liable for civil damages or
6 penalties as a result of any act or omission, except willful or

10 systems without impacting public safety.

11 (8) A review of the current auditing requirements of
12 State and county 911 expenditures under this chapter.

13 (9) The issues the Commonwealth will need to consider in
14 incorporating "Next Generation 911" and other nontraditional
15 communication technologies into its emergency response
16 system.

17 (10) Any technology-neutral 911 funding options by
18 either the Commonwealth or political subdivisions which do
19 not rely on disparate technologies, fee amounts and grant
20 structures.
