2 act relating to the public school system, including certain
3 provisions applicable as well to private and parochial
4 schools; amending, revising, consolidating and changing the
5 laws relating thereto," in preliminary provisions, providing
6 for waiver of public school mandates.

7 The General Assembly of the Commonwealth of Pennsylvania
8 hereby enacts as follows:

9 Section 1. The act of March 10, 1949 (P.L.30, No.14), known
10 as the Public School Code of 1949, is amended by adding a
11 section to read:

12 Section 124. Waiver of Public School Mandates.--(a) (1)
13 Except as otherwise provided in this section, the governing body
14 of a waiver applicant may adopt a resolution to apply to the
15 department for a waiver of any provision of this act, the
16 regulations of the State Board, the standards of the secretary
17 or other provisions of law permitted to be waived under this
18 section if the waiver will enable the waiver applicant to
19 improve its instructional program or operate in a more

1 effective, efficient or economical manner.

2 (2) Notwithstanding the provisions of clause (1), and except
3 as otherwise provided in this section, the governing bodies of
4 two (2) or more waiver applicants may, following the adoption of
5 a resolution by each governing body, apply jointly to the
6 department for a waiver of any provision of this act, the
7 regulations of the State Board, the standards of the secretary
8 or other provisions of law permitted to be waived under this
9 section if the waiver will enable the waiver applicants to
10 improve their instructional programs or operate in a more
11 effective, efficient or economical manner.

12 (b) (1) An application for a waiver under this section
13 shall be pursuant to a process and on a form developed by the
14 State Board. The application form developed by the State Board
15 shall require the waiver applicant to provide only the following
16 information:

17 (i) The provisions of law, the regulations of the State
18 Board or the standards of the secretary for which the waiver
19 applicant seeks a waiver.

20 (ii) The reason the waiver is needed.

21 (iii) Supporting data and information that explain the
22 benefits expected to be obtained as a result of the waiver and,
23 when applicable, the instructional programs that will operate
24 under the waiver and how the instructional programs will be
25 improved as a result of the waiver.

26 (iv) A procedure the waiver applicant will use to evaluate
27 the success of the waiver after the waiver is approved,
28 including a procedure to determine the effectiveness of a
29 revised instructional program, which shall include measures of
30 student performance, or the effectiveness of changes in the

1 operations of the waiver applicant.

2 (2) In developing the application process and form provided
3 for in clause (1), the State Board shall ensure that a waiver
4 applicant may apply through a single application for waivers of
5 individual or multiple provisions of this act, the regulations
6 of the State Board, the standards of the secretary or other
7 provisions of law permitted to be waived pursuant to this
8 section.

9 (c) Each waiver application under this section shall be
10 adopted by a resolution of the governing body of the waiver
11 applicant at a regularly scheduled meeting of the governing
12 body.

13 (d) In considering a waiver application under this section,
14 the department:

15 (1) Shall not impose any additional requirements on the
16 waiver applicant beyond those provided for in this section.

17 (2) Shall approve any waiver application that:

18 (i) Complies with the application process developed by the
19 State Board under subsection (b) (1).

20 (ii) Provides all information required in the application
21 form developed by the State Board under subsection (b) (1).

22 (iii) Does not conflict with a provision of Federal law or
23 any other law or regulation that is not permitted to be waived
24 under this section.

25 (e) The department shall have thirty (30) days from receipt
26 of the waiver application to issue its written approval,
27 disapproval or request for modifications to the waiver
28 application. If the department fails to act within that time
29 period, the waiver application shall be deemed to be approved.

30 (f) (1) If the department disapproves the waiver

1 application, the department must state in writing the specific
2 reason for the disapproval, including an explanation of any
3 provision of law that is not permitted to be waived under this
4 section that would be violated if the waiver application were
5 granted.

6 (2) When the department disapproves a waiver application,
7 the waiver applicant may revise and resubmit the waiver
8 application.

9 (3) A waiver applicant may appeal any disapproval of a
10 waiver application to the secretary pursuant to 2 Pa.C.S. Chs. 5
11 (relating to practice and procedure) and 7 (relating to judicial
12 review). A waiver applicant shall not be required to revise and
13 resubmit the waiver application prior to appealing a
14 disapproval.

15 (g) A waiver applicant must receive the department's written
16 approval of its waiver application prior to implementing the
17 waiver sought in the waiver application.

18 (h) (1) No later than five (5) years from the
19 implementation of a waiver granted under this section, the
20 waiver applicant shall submit to the department the evaluation
21 set forth in subsection (b) (1) (iv). When the evaluation
22 submitted under this clause indicates an improvement in student
23 performance, instructional program or operations, the waiver
24 shall be renewed by the department and shall remain in effect,
25 unless a governing body opts out of the continuation of the
26 waiver.

27 (2) In the case of a waiver for which multiple waiver
28 applicants applied jointly, each individual waiver applicant
29 shall separately submit to the department the evaluation set
30 forth in subsection (b) (1) (iv). The department shall renew the

1 waiver of each waiver applicant on an individual basis.

2 (3) If a waiver applicant fails to submit to the department
3 the evaluation required to be submitted under clauses (1) and
4 (2), the waiver shall expire.

5 (i) The following shall not be subject to waiver pursuant to
6 this section:
