AN ACT

1 Amending the act of June 13, 1967 (P.L.31, No.21), entitled "An  
2 act to consolidate, editorially revise, and codify the public  
3 welfare laws of the Commonwealth," in public assistance,  
4 further providing for identification and proof of residence.

5 The General Assembly of the Commonwealth of Pennsylvania  
6 hereby enacts as follows:

7 Section 1. Section 432.4 of the act of June 13, 1967  
8 (P.L.31, No.21), known as the Public Welfare Code, amended June  
9 16, 1994 (P.L.319, No.49) and May 16, 1996 (P.L.175, No.35), is  
10 amended to read:

11 Section 432.4. Identification and Proof of Residence.--(a)  
12 All persons applying for assistance shall provide acceptable  
13 identification and proof of residence[; the department shall by  
14 regulations specify what constitutes acceptable identification  
15 and proof of residence]. A person shall be deemed to be a  
16 resident when he or she documents his or her residency and that  
17 residency is verified by the department. Verification may

1 include, but is not limited to the production of rent receipts,  
2 mortgage payment receipts, utility receipts, bank accounts or  
3 enrollment of children in local schools. General assistance  
4 applicants must establish that they have been residents of the  
5 Commonwealth for at least twelve months immediately preceding  
6 their application[.] and they are not receiving assistance from  
7 any other state. General assistance applicants shall disclose,  
8 in their application, all states in which they have resided in  
9 the last five years and in which they have collected a form of  
10 public assistance. The provisions of this subsection shall not  
11 apply to General Assistance applicants who can establish that  
12 they moved to this Commonwealth to escape an abusive living  
13 situation. The department shall adopt rules governing the proof  
14 required to establish that the applicant has moved to this  
15 Commonwealth to escape an abusive living situation.

16 (a.1) When a general assistance applicant provides  
17 information that the applicant has collected a form of public  
18 assistance in another state, the Commonwealth shall notify the  
19 other state of the change in residency of the applicant.

20 (b) For the purpose of determining eligibility for  
21 assistance, the continued absence of a recipient from the  
22 Commonwealth for a period of thirty days or longer shall be  
23 prima facie evidence of the intent of the recipient to have  
24 changed his residence to a place outside the Commonwealth.

25 (c) If a recipient is prevented by illness or other good  
26 cause from returning to the Commonwealth at the end of thirty  
27 days, and has not acted to establish residence elsewhere, he  
28 shall not be deemed to have lost his residence in the  
29 Commonwealth.

30 (d) When a recipient of aid to families with dependent

1 children or general assistance is absent from the United States  
2 for a period in excess of thirty days, his aid shall thereafter  
3 be suspended whenever need cannot be determined for the ensuing  
4 period of his absence.

5 (e) Beginning no later than September 1, 1994, the  
6 department shall collect information on all general assistance  
7 applicants to determine how long they have been residents of  
8 this Commonwealth. The department shall report its findings to  
9 the Governor and the General Assembly no later than December 31,  
10 1995. Based on its findings, the department may make  
11 recommendations to the Governor and the General Assembly on  
12 changes to the residency requirement for general assistance  
13 recipients.

14 Section 2. This act shall take effect in 60 days.
