APRIL 8, 2015

A RESOLUTION

1 Designating the month of March 2015 as "Save Your Vision Month"
2 in Pennsylvania.

3 WHEREAS, Sight is a precious and valuable gift that enables
4 individuals to experience the wonder of the world around us; and

5 WHEREAS, Professional eye care can safeguard and maintain the
6 visual welfare of the residents of this Commonwealth; and

7 WHEREAS, The American Optometric Association and Optometry
8 Cares® - The AOA Foundation have called upon the leaders of this
9 Commonwealth to help all residents become more aware of the
10 importance of obtaining regular eye examinations and maintaining
11 good eye health; and

12 WHEREAS, The House of Representatives desires to join doctors
13 of optometry, other health care professionals, business and
14 civic leaders, educators and the media to unite in an effort to

1 broaden the understanding of eye health and safety in this
2 Commonwealth; therefore be it

3 RESOLVED, That the House of Representatives designate the
4 month of March 2015 as "Save Your Vision Month" in Pennsylvania
5 and urge all residents to observe this celebration by paying
6 special attention to personal eye and vision care needs and the
7 needs of those they cherish.
