14 Section 1. Section 8(a) of the act of January 14, 1952 (1951
15 P.L.1898, No.522), known as the Funeral Director Law, is amended
16 to read:

17 Section 8. Conduct of Business.--(a) Individuals and
18 Partnerships. Except as provided for in subsection (e) hereof,
19 only one license shall be granted to or held by an individual,
20 but two or more licensed funeral directors may operate a joint
21 or partnership business at one place only. No funeral practice,

1 whether conducted by an individual or a partnership, may be
2 conducted under any other name than the name or last name of the
3 individual or, if a partnership, the names or last names of all
4 partners: Provided, however, That an individual or partnership
5 may be conducted under the name of a predecessor funeral
6 establishment if the name or names of the owner or partners
7 appear as operator or operators on all signs, forms and
8 advertising. No person not licensed under this act shall have
9 any interest in the practice carried on by a licensed funeral
10 director except as otherwise herein provided. Upon the death of
11 a licensee, the board shall issue a license and renewal thereof
12 to his estate, only for a period not exceeding three (3) years,
13 or widows or widowers of deceased licensees without time
14 limitations, [as long as they remain unmarried,] providing the
15 widow, or widower, the executor or administrator of the estate
16 of the deceased licensee's heir or heirs, informs the board, of
17 the intent to continue practice, within ten (10) days and

19 Such notice shall be in writing. The practice carried on by a

24 business in partnership with one or more other licensed funeral
25 directors nor shall a widow or widower be denied the right to
26 enter into a partnership with one or more of the licensed
27 funeral directors with whom the deceased licensee was in
28 partnership.
