26 formulated for a particular person in a program appropriate to
27 his specific needs, including an assisted outpatient treatment
28 plan under subsection (b). To the extent possible, the plan
29 shall be made with the cooperation, understanding and consent of
30 the person in treatment, and shall impose the least restrictive

1 alternative consistent with affording the person adequate
2 treatment for his condition.

3 (b) Assisted outpatient treatment plan means an

23 Emergency Examination and Treatment.--(a) Persons Subject.--
24 Whenever a person is severely mentally disabled and in need of
25 immediate treatment, he may be made subject to involuntary

27 mentally disabled when, as a result of mental illness, his
28 capacity to exercise self-control, judgment and discretion in
29 the conduct of his affairs and social relations or to care for
30 his own personal needs is so lessened that he poses a clear and

1 present danger of harm to others or to himself, or the person is
2 determined to be in need of assisted outpatient treatment as
3 defined in subsection (c).

4 * * *

5 (c) Determination of Need for Assisted Outpatient

6 Treatment.--(1) The need for assisted outpatient treatment
7 shall be shown by establishing by clear and convincing evidence
8 that the person would benefit from assisted outpatient treatment
9 as manifested by evidence of behavior that indicates all of the
10 following:

11 (i) The person is unlikely to survive safely in the
12 community without supervision, based on a clinical
13 determination.

14 (ii) The person has a history of lack of voluntary adherence
15 to treatment for mental illness and one of the following
16 applies:

17 (A) At least twice within the 36 months prior to the filing
18 of a petition seeking assisted outpatient treatment, the
19 person's failure to adhere to treatment has been a significant
20 factor in necessitating involuntary inpatient hospitalization or
21 receipt of services in a forensic or other mental health unit of
22 a correctional facility, provided that the 36-month period shall
23 be extended by the length of any hospitalization or
24 incarceration of the person in a correctional institution that
25 occurred within the 36-month period.

26 (B) Within the 48 months prior to the filing of a petition
27 seeking court-ordered assisted outpatient treatment, the
28 person's failure to adhere to treatment resulted in one or more
29 acts of serious violent behavior toward others or himself or
30 threats of, or attempts at, serious physical harm to others or

1 himself, provided that the 48-month period shall be extended by
2 the length of any hospitalization or incarceration of the person
3 in a correctional institution that occurred within the 48-month
4 period.

5 (iii) The person, as a result of the person's mental
6 illness, is unlikely to voluntarily participate in necessary
7 treatment.

8 (iv) Based on the person's treatment history and current
9 behavior, the person is in need of treatment in order to prevent
10 a relapse or deterioration that would be likely to result in
11 substantial risk of serious harm to the others or himself.

12 (2) An individual who meets only the criteria described in
13 clause (1) shall not be subject to involuntary inpatient
14 hospitalization unless a separate determination is made that the
15 individual poses a clear and present danger in accordance with
16 subsection (b).

21 (c) Informal Conference on Extended Emergency Treatment
22 Application.--(1) At the commencement of the informal
23 conference, the judge or the mental health review officer shall
24 inform the person of the nature of the proceedings. Information
25 relevant to whether the person is severely mentally disabled and
26 in need of treatment shall be reviewed, including the reasons
27 that continued involuntary treatment is considered necessary.
28 Such explanation shall be made by a physician who examined the
29 person and shall be in terms understandable to a layman. The
30 judge or mental health review officer may review any relevant

1 information even if it would be normally excluded under rules of
2 evidence if he believes that such information is reliable. The
3 person or his representative shall have the right to ask
4 questions of the physician and of any other witnesses and to
5 present any relevant information. At the conclusion of the
6 review, if the judge or the review officer finds that the person
7 is severely mentally disabled and in need of continued
8 involuntary treatment, either as an inpatient or through less
9 restrictive assisted outpatient treatment, he shall so certify.
10 Otherwise, he shall direct that the facility director or his
11 designee discharge the person.

18 Made.--(1) A person who is severely mentally disabled and in
19 need of treatment, as defined in section 301(a), may be made

21 determination of clear and present danger under section 301(b)
22 (1) (serious bodily harm to others), or section 301(b) (2) (i)
23 (inability to care for himself, creating a danger of death or
24 serious harm to himself), or 301(b) (2) (ii) (attempted suicide),
25 or 301(b) (2) (iii) (self-mutilation), or upon determination that
26 a person meets the requirements under section 301(c)
27 (determination of need for assisted outpatient treatment).

28 (2) Where a petition is filed for a person already subject
29 to involuntary treatment, it shall be sufficient to represent,
30 and upon hearing to reestablish, that the conduct originally

1 required by section [301] 301(b) in fact occurred, and that his
2 condition continues to evidence a clear and present danger to
3 himself or others, or that the conduct originally required by
4 section 301(c) in fact occurred and that his condition continues
5 to evidence a need for assisted outpatient treatment. In such
6 event, it shall not be necessary to show the reoccurrence of
7 dangerous conduct, either harmful or debilitating, within the
8 past 30 days.

10 (c.1) Procedures for Initiating Assisted Outpatient
11 Treatment for Persons Already Subject to Involuntary
12 Treatment.--(1) Petition for assisted outpatient treatment for
13 persons already subject to involuntary treatment under section
14 301(b) (1) or (2), or persons with mental illness subject to

17 administrator or the director of the facility to the court of
18 common pleas.

19 (2) The petition shall be in writing upon a form adopted by
20 the department and include a statement of the facts constituting
21 reasonable grounds to believe that the person is:

22 (i) No longer determined to be in need of involuntary
23 inpatient treatment under section 301(b) (1) or (2), or no longer
24 subject to treatment in a forensic facility or correctional
25 institution.

26 (ii) Determined to be in need of assisted outpatient
27 treatment under section 301(c).

28 (3) The petition shall state the name of any examining
29 physician and the substance of his opinion regarding the mental
30 condition of the person. It shall also state that the person has

1 been given the information required by subsection (b)(3).

2 (4) Upon the filing of the petition, the county
3 administrator shall serve a copy on the person, his attorney and
4 those designated to be kept informed, as provided in section

16 pleas requesting assisted outpatient treatment for any person
17 determined under section 301(c) to be in need of assisted
18 outpatient treatment, and who is not already in involuntary
19 treatment, and who is not already in assisted outpatient
20 treatment for whom application could be made under subsection
21 (a).

22 (2) The petition shall be in writing upon a form adopted by
23 the department and shall set forth facts constituting reasonable
24 grounds to believe that the person is within the criteria as
25 defined under section 301(c) for a person in need of assisted
26 outpatient treatment. The petition shall state the name of any
27 examining physician and shall be accompanied by a statement of a
28 psychiatrist, or a statement signed by a clinical psychologist

2 treatment, or shall be accompanied by a written statement by the
3 applicant, under oath, that the person has refused to submit to
4 an examination by a psychiatrist, or by a clinical psychologist
5 and physician.

6 (3) Upon a determination that the petition sets forth
7 reasonable cause, the court shall appoint an attorney to
8 represent the person and set a date for the hearing as soon as
9 practicable. The attorney shall represent the person unless it
10 shall appear that he can afford, and desires to have, private
11 representation.

12 (4) The court, by summons, shall direct the person to appear
13 for a hearing. The court may issue a warrant directing an
14 individual authorized by the county administrator or a peace
15 officer to bring such person before the court at the time of the
16 hearing if there are reasonable grounds to believe that the
17 person will not appear voluntarily. A copy of the petition shall
18 be served on such person at least three days before the hearing
19 together with a notice advising him that an attorney has been
20 appointed who shall represent him unless he obtains an attorney
21 himself, that he has a right to be assisted in the proceedings
22 by an expert in the field of mental health and that he may
23 request or be made subject to psychiatric examination under
24 clause (5).

25 (5) Upon motion of either the petitioner or the person, or
26 upon its own motion, the court may order the person to be
27 examined by a psychiatrist OR OTHER QUALIFIED PROFESSIONAL <--
28 appointed by the court, PROVIDED THAT ANY QUALIFIED <--
29 PROFESSIONAL APPOINTED BY THE COURT WHO IS NOT A PSYCHIATRIST
30 SHALL BE FROM A PANEL OF QUALIFIED PROFESSIONALS SPECIFICALLY

1 DESIGNATED BY THE COUNTY ADMINISTRATOR FOR THEIR DEMONSTRATED
2 EXPERTISE AND ABILITY TO CONDUCT COURT-ORDERED EXAMINATIONS FOR
3 ASSISTED OUTPATIENT TREATMENT. Such examination shall be
4 conducted on an outpatient basis and the person shall have the
5 right to have counsel present. A report of the examination shall
6 be given to the court and counsel at least 48 hours prior to the

15 following:

16 (1) The person shall have the right to counsel and to the
17 assistance of an expert in mental health.

18 (2) The person shall not be called as a witness without his
19 consent.

20 (3) The person shall have the right to confront and cross-
21 examine all witnesses and to present evidence in his own behalf.

22 (4) The hearing shall be public unless it is requested to be
23 private by the person or his counsel.

24 (5) A stenographic or other sufficient record shall be made,
25 which shall be impounded by the court and may be obtained or
26 examined only upon the request of the person or his counsel or
27 by order of the court on good cause shown.

28 (6) The hearing shall be conducted by a judge or by a mental
29 health review officer and may be held at a location other than a
30 courthouse when doing so appears to be in the best interest of

1 the person.

2 (7) A decision shall be rendered within 48 hours after the
3 close of evidence.

4 (8) If the person is believed to be in need of assisted
5 outpatient treatment in accordance with section 301(c), a
6 hearing on the petition shall be conducted in accordance with
7 the following:

8 (i) No later than the date of the hearing, a qualified
9 professional shall provide a written proposed assisted
10 outpatient treatment plan to the court. The plan shall state all
11 treatment services recommended for the person and, for each
12 service, shall specify a provider that has agreed to provide the
13 service.

14 (ii) In developing a written proposed assisted outpatient
15 treatment plan, the qualified professional shall take into
16 account, if existing, an advance directive for mental health
17 treatment and provide the following persons with an opportunity
18 to participate:

19 (A) the person believed to be in need of court-ordered
20 assistant outpatient treatment;

21 (B) all current treating providers;

22 (C) upon the request of the person believed to be in need of
23 court-ordered assistant outpatient treatment, an individual
24 significant to the person, including any relative, close friend
25 or individual otherwise concerned with the welfare of the
26 person; and

27 (D) any authorized guardian or other surrogate decision-
28 maker.

29 (iii) The written proposed assisted outpatient treatment
30 plan shall include case management services or an assertive

1 community treatment team to provide care coordination and
2 assisted outpatient treatment services recommended by the
3 qualified professional. If the plan includes medication, it
4 shall state whether such medication should be self-administered
5 or administered by a specified provider and shall specify type
6 and dosage range of medication. In no event shall the plan
7 recommend the use of physical force or restraints to administer
8 medication to the person.

9 (iv) A qualified professional, who has personally examined
10 the person within ten days of the filing of the petition, shall
11 provide testimony in support of the finding that the person
12 meets all of the criteria for assisted outpatient treatment and
13 in support of a written proposed treatment plan developed
14 pursuant to this section including:

15 (A) the recommended assisted outpatient treatment, the
16 rationale for the recommended assisted outpatient treatment and
17 the facts that establish that such treatment is the least
18 restrictive appropriate alternative;

19 (B) information regarding the person's access to, and the
20 availability of, recommended assisted outpatient treatment in
21 the community or elsewhere; and

22 (C) if the recommended assisted outpatient treatment
23 includes medication, the types or classes of medication that
24 should be authorized, the beneficial and detrimental physical
25 and mental effects of such medication and whether such
26 medication should be self-administered or administered by a
27 specified provider, and the ongoing process for management of
28 such medications in response to changes in the person's medical
29 condition.

30 (9) A decision shall be rendered within 48 hours after the

1 close of evidence.

2 (f) Determination and Order.--(1) Upon a finding by clear
3 and convincing evidence that the person is severely mentally
4 disabled and in need of treatment and subject to subsection (a),
5 an order shall be entered directing treatment of the person in
6 an approved facility as an inpatient or an outpatient, or a
7 combination of such treatment as the director of the facility
8 shall from time to time determine. Inpatient treatment shall be
9 deemed appropriate only after full consideration has been given
10 to less restrictive alternatives, including assisted outpatient
11 treatment. Investigation of treatment alternatives shall include
12 consideration of the person's relationship to his community and
13 family, his employment possibilities, all available community
14 resources, and guardianship services. An order for inpatient
15 treatment shall include findings on this issue.

16 (2) If the person is found to be in need of assisted
17 outpatient treatment in accordance with section 301(c) or as a
18 result of consideration of less restrictive settings under
19 clause (1), the court shall order the person to receive assisted
20 outpatient treatment for a period not to exceed 90 days from any
21 provider or facility approved by the department or the county
22 administrator for purposes of providing assisted outpatient
23 treatment, provided that a jail or any other State or county
24 correctional institution shall not be an authorized facility.

25 (3) The facility or provider shall examine and treat the
26 person in accordance with the assisted outpatient treatment
27 plan. If the person is receiving assisted outpatient treatment,
28 or receives treatment in an outpatient setting during a
29 subsequent period of continued commitment under section 305, the
30 facility or provider to whom the person is ordered shall

1 determine the appropriate assisted outpatient treatment plan for
2 the person.

3 (4) If the approved court-ordered assisted outpatient
4 treatment plan includes medications, the court order shall
5 authorize the treatment team, in accordance with their
6 professional judgment, to perform routine medication management,
7 including adjustment of specific medications and doses, in
8 consultation with the person and as warranted by changes in the
9 person's medical condition.

10 (5) The provider or facility responsible for the assisted
11 outpatient treatment plan shall inform the court if the person
12 fails materially to adhere to the treatment plan and comply with
13 the court order. If the court receives information that a
14 patient is not complying with the court's order, the court may
15 take any of the following actions:

16 (i) set a modification hearing to assess the person's
17 failure to adhere to the assisted outpatient treatment plan;

18 (ii) amend the assisted outpatient treatment plan to foster
19 adherence to necessary treatment by the person; or

20 (iii) issue an order for temporary detention if a petition <--

21 is filed under subsection (b) THE PERSON TO BE EXAMINED IN <--

22 ACCORDANCE WITH SECTION 302 FOR PURPOSES OF EVALUATION AND, IF
23 APPROPRIATE, FILE A PETITION THAT THE PERSON POSES A CLEAR AND
24 PRESENT DANGER UNDER SECTION 301(B), provided that a State or
25 county correctional institution may not be considered an
26 authorized treatment facility.

27 (6) If the court determines under clause (5) that the person
28 has failed to adhere to the assisted outpatient treatment plan,
29 the court may not hold that person in contempt or otherwise
30 sanction the person solely based on the failure to comply with

1 the assisted outpatient treatment plan.

2 (7) The person subject to assisted outpatient treatment may
3 petition the court for enforcement of a service specifically
4 contained in that person's individualized treatment plan,
5 provided that the petition must include clear and convincing
6 evidence demonstrating that the service is not being provided in
7 accordance with that plan.

8 (g) Duration of Court-ordered Involuntary Treatment.--(1) A
9 person may be made subject to court-ordered involuntary
10 treatment under this section for a period not to exceed 90 days,
11 excepting only that: Persons may be made subject to court-
12 ordered involuntary treatment under this section for a period
13 not to exceed one year if:

14 (i) the person meets the criteria established by clause (2)
15 [.]; and

16 (ii) the person may be subject to assisted outpatient
17 treatment for a period not to exceed 180 days if the person
18 meets the criteria established by clause (5).

19 (2) A person may be subject to court-ordered involuntary
20 treatment for a period not to exceed one year if:

21 (i) severe mental disability is based on acts giving rise to
22 the following charges under the Pennsylvania Crimes Code: murder
23 (§ 2502); voluntary manslaughter (§ 2503); aggravated assault (§
24 2702); kidnapping (§ 2901); rape (§ 3121(1) and (2));
25 involuntary deviate sexual intercourse (§ 3123(1) and (2));
26 arson (§ 3301); and

27 (ii) a finding of incompetency to be tried or a verdict of
28 acquittal because of lack of criminal responsibility has been
29 entered.

30 (3) If at any time the director of a facility concludes that

1 the person is not severely mentally disabled or in need of
2 treatment pursuant to subsection (a), he shall discharge the
3 person provided that no person subjected to involuntary
4 treatment pursuant to clause (2) may be discharged without a
5 hearing conducted pursuant to clause (4).

6 (4) In cases involving involuntary treatment pursuant to
7 clause (2), whenever the period of court-ordered involuntary
8 treatment is about to expire and neither the director nor the
9 county administrator intends to apply for an additional period
10 of court-ordered involuntary treatment pursuant to section 305
11 or at any time the director concludes that the person is not
12 severely mentally disabled or in need of treatment, the director
13 shall petition the court which ordered the involuntary treatment
14 for the unconditional or conditional release of the person.
15 Notice of such petition shall be given to the person, the county
16 administrator and the district attorney. Within 15 days after
17 the petition has been filed, the court shall hold a hearing to
18 determine if the person is severely mentally disabled and in
19 need of treatment. Petitions which must be filed simply because
20 the period of involuntary treatment will expire shall be filed
21 at least ten days prior to the expiration of the court-ordered
22 period of involuntary treatment. If the court determines after
23 hearing that the person is severely mentally disabled and in
24 need of treatment, it may order additional involuntary treatment
25 not to exceed one year; if the court does not so determine, it
26 shall order the discharge of the person.

27 (5) A person may be subject to assisted outpatient treatment
28 for a period of up to 180 days if the person continues to meet
29 the requirements of section 301(c) or is being discharged from
30 involuntary inpatient treatment under this article.

1 Section 7. Section 305 of the act is amended by adding a
2 subsection to read:

3 Section 305. Additional Periods of Court-ordered Involuntary
4 Treatment.--* * *

5 (c) At the expiration of a period of assisted outpatient
6 treatment under section 304(g) or this section, the court may
7 order treatment for an additional period upon the application of
8 the county administrator or the treatment team. Such order shall
9 be entered upon hearing on findings as required by sections
10 304(a) and (b), and the further finding of a need for continuing
11 assisted outpatient treatment. The additional period of
12 involuntary treatment shall not exceed 180 days.

13 Section 8. This act shall take effect in 90 days.
