AN ACT

1 Amending the act of July 11, 2006 (P.L.1134, No.115), entitled  
2 "An act providing for the creation of a trust for the benefit  
3 of certain owners of interests in oil and gas; authorizing  
4 the trustee to enter into leases of interests in oil and gas  
5 under terms and conditions authorized by the court of common  
6 pleas; providing for the administration of the trust and for  
7 payment of moneys to the trustee; and imposing penalties for  
8 nonpayment," providing for oil and gas estate abandonment,  
9 for preservation of interests in oil and gas and for  
10 applicability.

11 The General Assembly of the Commonwealth of Pennsylvania  
12 hereby enacts as follows:

13 Section 1. The act of July 11, 2006 (P.L.1134, No.115),  
14 known as the Dormant Oil and Gas Act, is amended by adding  
15 sections to read:

16 Section 6.1. Oil and gas estate abandonment.

17 (a) Circumstances deemed abandonment.--

18 (1) Except as otherwise provided under paragraph (2), an  
19 interest in oil or gas in land owned by a person other than  
20 the owner of the surface, which has not been sold, leased,  
21 mortgaged or transferred by instrument recorded in the

1 recorder of deeds office for the county where the interest is  
2 located for a period of 20 years, shall be deemed abandoned  
3 in the absence of:

4 (i) a permit to drill an oil or gas well issued by  
5 the Department of Environmental Protection as to the  
6 interest;

7 (ii) the actual production or withdrawal of oil or  
8 gas from the lands or from lands covered by a lease to  
9 which the interest is subject or from lands pooled,  
10 unitized or included in unit operations of the interest;  
11 or

12 (iii) the use of the interest in underground gas  
13 storage operations, during that 20-year period.

14 (2) An interest in oil or gas in land owned by a person  
15 identified under paragraph (1) shall not be deemed abandoned  
16 if the owner records a claim of interest as provided in  
17 section 6.2, prior to the latest of the following:

18 (i) twenty years after the last sale, lease,  
19 mortgage or transfer of record of the interest; or

20 (ii) twenty years after the last:

21 (A) issuance of a drilling permit as to the  
22 interest;

23 (B) actual production or withdrawal of oil or  
24 gas, from the land, or from lands covered by a lease  
25 to which the interest is subject, or from lands  
26 pooled, unitized or included in unit operations of  
27 the interest; or

28 (C) use of the interest in underground gas  
29 storage operations.

30 (b) Vesting of interest.--

1           (1) An interest in oil or gas deemed abandoned under  
2 subsection (a) shall vest as of the date of the abandonment  
3 in the owner of the surface in keeping with the character of  
4 the surface ownership.

5           (2) The owner of the surface who claims a vested  
6 interest in an oil and gas estate abandoned under subsection  
7 (a) shall record written notice in the recorder of deeds  
8 office for the county in which the land is located.

9           (3) The notice shall:

10           (i) Be verified by oath.

11           (ii) Describe the land and the nature of the vested  
12 interest claimed.

13           (iii) Provide the name and address of the person  
14 claiming the vested interest.

15 Section 6.2. Preservation of interests in oil and gas.

16           (a) General rule.--An interest in oil or gas may be  
17 preserved by recording within the period specified by this act a  
18 written notice in the recorder of deeds office for the county in  
19 which the land is located.

20           (b) Form of notice.--The notice shall:

21           (1) Be verified by oath.

22           (2) Describe the land and the nature of the interest  
23 claimed.

24           (3) Provide the name and address of the person claiming  
25 the interest.

26           (4) State that the person desires to preserve the  
27 interest and does not intend to abandon the interest.

28           (c) Adequacy of description of interest.--A person other  
29 than the owner of the surface holding an interest in oil or gas  
30 in land for use in underground storage field operations may

1 preserve the interest, and the rights of a lessor of the  
2 interest, by recording a single written notice defining the  
3 boundaries of and the formations included in the underground gas  
4 storage field without the necessity of describing each separate  
5 interest in oil or gas claimed in the underground gas storage  
6 field by that person.

7 (d) Legal effect of recorded notice.--

8 (1) Recording a written notice under this section shall  
9 operate to preserve the interest in oil or gas included in  
10 the written notice from abandonment under this act for a  
11 period of 20 years after recording.

12 (2) At the conclusion of the 20-year period, the  
13 interest shall be deemed abandoned if, during that 20-year  
14 period:

15 (i) the nondormant character of the interest has not  
16 been evidenced by sale, lease, mortgage or transfer by  
17 instrument recorded in the recorder of deeds office for  
18 the county in which the interest is located;

19 (ii) a drilling permit has not been issued;

20 (iii) oil or gas has not been actually produced or  
21 withdrawn from the land, or from lands covered by a lease  
22 to which the interest is subject, or from lands pooled,  
23 unitized or included in unit operations of the interest;

24 (iv) there has been no use of the interest in  
25 underground gas storage operations; or

26 (v) no similar notice has been filed.

27 (e) Indefinitely preserving interest in oil and gas.--In the  
28 absence of prior abandonment, an interest in oil or gas in land  
29 owned by a person other than the owner of the surface may be  
30 preserved indefinitely from abandonment under this act by filing

1 written notices as provided in this act or the performance of  
2 any of the acts specified in this act evidencing nondormancy of  
3 the interest within each succeeding 20-year period.

4 (f) Affidavit of good faith.--

5 (1) For the purposes of this act, a person who uses an  
6 interest in the gas of the underground gas storage field  
7 operations may file a good faith affidavit in the recorder of  
8 deeds office for the county or counties where the interest is  
9 located, which affidavit must define the boundaries of the  
10 underground gas storage field and the formations included in  
11 the underground gas storage field.

12 (2) An affidavit that complies with paragraph (1) shall  
13 be prima facie evidence of the use of the interest in the gas  
14 of the underground gas storage field operations.

15 Section 7.1. Applicability.

16 This act shall not apply to an interest in oil or gas owned  
17 by a governmental body or agency.

18 Section 2. This act shall take effect in 60 days.
