AN ACT

1 Amending the act of June 3, 1937 (P.L.1333, No.320), entitled
2 "An act concerning elections, including general, municipal,
3 special and primary elections, the nomination of candidates,
4 primary and election expenses and election contests; creating
5 and defining membership of county boards of elections;
6 imposing duties upon the Secretary of the Commonwealth,

13 portable polling places.

14 The General Assembly of the Commonwealth of Pennsylvania
15 hereby enacts as follows:

16 Section 1. Section 527(a) of the act of June 3, 1937
17 (P.L.1333, No.320), known as the Pennsylvania Election Code, is
18 amended to read:

19 Section 527. Public Buildings to Be Used Where Possible;
20 Portable Polling Places.--(a) In selecting polling places, the
21 county board of elections shall, wherever possible and
22 practicable, select [schoolhouses,] municipal buildings or
23 rooms, or other public buildings for that purpose. Any board of

1 public education or school directors, or county or the municipal
2 authorities shall, upon request of the county board, make
3 arrangements for the use of school property, or of county or
4 municipal property for polling places. In selecting polling
5 places, the county board of elections shall make every effort to
6 avoid selecting schoolhouses as polling places and to select
7 polling places that provide all electors and other persons who
8 may be lawfully present within the polling place with an
9 environment that is free from intimidation and violence.

10 In the event no available public building as contemplated
11 under this section is situated within the boundaries of any
12 election district, the county board of elections may, not less
13 than twenty days prior to any election, designate as the polling
14 place for such election district any such public building
15 situated in another election district within the same or
16 immediately adjacent ward, or, if there are no wards, then
17 within the same borough or township as the case may be, provided
18 such other building is located in an election district which is
19 immediately adjacent to the boundary of the election district
20 for which it is to be the polling place and is directly
21 accessible therefrom by public street or thoroughfare. Two or
22 more polling places may be located in the same public building
23 under this section. A polling place may be selected and
24 designated hereunder less than twenty days prior to any
25 election, with the approval of a court of competent
26 jurisdiction.
