25 (b) Assessing damage on recovered theft vehicles.--If a

26 theft vehicle has been recovered, the vehicle shall be assessed

27 as to the level of damage at the time of recovery by an insurer

28 or licensed physical damage appraiser:

29 (1) If the cost of repairs exceeds the replacement value

30 of the vehicle, the theft-branded certificate of salvage

1 shall serve as an ownership document. If the vehicle
2 thereafter passes the reconstructed salvage vehicle
3 inspection requirements under section 1165 (relating to
4 reconstructed vehicles), it shall receive a certificate of
5 title branded reconstructed and recovered-theft vehicle.

6 (2) If the cost of repairs is [less than] more than 50%
7 of the replacement value of the vehicle and more than 50% of <--

9 operation of THE OWNER ELECTS TO RETAIN TITLE TO the vehicle, <--
10 the owner shall apply for a certificate of title branded
11 recovered-theft vehicle. A legible copy of the vehicle damage
12 appraisal report completed by an insurer or licensed physical
13 damage appraiser must accompany an application under this
14 paragraph. The damage appraisal report shall include the
15 replacement value of the vehicle.

16 (3) If an owner has received a certificate of salvage
17 branded as a theft vehicle after a payment has been made and
18 the stolen vehicle is located and thereafter passes an
19 inspection by a licensed physical damage appraiser in which
20 the damage does not rise to the level of paragraph (2), the
21 owner may apply to the department for an unbranded title. A
22 legible copy of the vehicle damage appraisal report completed
23 by an insurer or licensed physical damage appraiser must
24 accompany an application under this paragraph. The damage
25 appraisal report shall include the replacement value of the
26 vehicle.

27 (4) An individual who has not been paid the replacement
28 value for the vehicle and has not received a certificate of
29 salvage may use the existing certificate of title without
30 applying for a new title.

1 (c) Self-insurer requirement.--If the insurer is a self-
2 insurer, the assessment of damage under this section shall be
3 completed by a licensed physical damage appraiser who is not
4 affiliated with or employed by the self-insurer.
