9 Section 1. The act of March 10, 1949 (P.L.30, No.14), known
10 as the Public School Code of 1949, is amended by adding a
11 section to read:

12 Section 1512.2. Mental Health Education.--Each school under
13 the jurisdiction of the Department of Education shall
14 incorporate mental health education into public education
15 curricula to ensure that the school's health education programs
16 recognize the multiple dimensions of health by including mental
17 health in the relation of physical health to enhance student

2 establish a mental health education curriculum to be integrated

7 education.

8 Section 2. This act shall take effect in 60 days.
