
THE GENERAL ASSEMBLY OF PENNSYLVANIA

SENATE BILL

No. 522 Session of
2021

INTRODUCED BY BAKER, YUDICHAK, FONTANA, KANE, YAW, HUGHES,
SANTARSIERO, SCAVELLO, TARTAGLIONE, SCHWANK, COSTA, HAYWOOD
AND COMMITTA, APRIL 9, 2021

AS REPORTED FROM COMMITTEE ON CHILDREN AND YOUTH, HOUSE OF
REPRESENTATIVES, AS AMENDED, SEPTEMBER 21, 2022

AN ACT

1 Providing for blood lead assessment and testing of certain
2 children and pregnant women by health care providers;
3 imposing duties on the Department of Health; and requiring
4 certain health insurance policies to cover blood lead tests.

5 The General Assembly of the Commonwealth of Pennsylvania
6 hereby enacts as follows:

7 Section 1. Short title.

8 This act shall be known and may be cited as the Childhood
9 Blood Lead Test Act.

10 Section 2. Legislative findings.

11 The General Assembly finds that:

12 (1) Lead is a naturally occurring element that is toxic
13 to humans when ingested or inhaled.

14 (2) Severe lead poisoning causes convulsions,
15 intellectual disabilities, seizures and sometimes death.

16 (3) Low-level exposure to lead reduces intelligence,
17 delays cognitive growth and impairs physical development.

1 (4) Children who are in utero or less than seven years
2 of age are most sensitive to lead poisoning because their
3 brains and nervous systems are still developing.

4 (5) The only way to diagnose a child with an elevated
5 blood lead level is through a blood test.

6 (6) The health and development of children is endangered
7 by chipping or peeling lead-based paint or lead-contaminated
8 dust or soil in homes and neighborhoods throughout this
9 Commonwealth.

10 (7) Other sources of lead exposure can be through lead
11 service lines for drinking water and lead solder used in
12 drinking water lines, and lead in consumer products such as
13 toys, foods, cosmetics and ceramics are also of concern.

14 Section 3. Legislative purpose.

15 The purposes of this act are:

16 (1) To substantially reduce, and eventually eliminate,
17 the incidence of childhood lead poisoning in this
18 Commonwealth.

19 (2) To improve public awareness of lead safety issues in
20 housing and educate both property owners and tenants about
21 practices that can reduce the ~~incidence~~ INCIDENCES of lead <--
22 poisoning.

23 (3) To require the testing of all children in this
24 Commonwealth by two years of age so that prompt diagnosis and
25 treatment, as well as the prevention of harm, are possible.

26 Section 4. Definitions.

27 The following words and phrases when used in this act shall
28 have the meanings given to them in this section unless the
29 context clearly indicates otherwise:
